TO: Members of the Board of Trustees

FROM: Nancy L. Zimpher, Chancellor

SUBJECT: Approval of Community College Capital Project Budgets – Hard Dollar

I recommend that the Board of Trustees adopt the following resolutions:

COLUMBIA-GREENE COMMUNITY COLLEGE

Resolved that the capital budget for Columbia-Greene Community College, State's share in the amount of \$35,546 of the total capital cost of \$71,092 for the Indoor Mass Notification Project, being in accordance with Chapter 53 of the Laws of 2009, be, and hereby is, approved.

ERIE COMMUNITY COLLEGE

Resolved that the capital budget for Erie Community College, State's share in the amount of \$557,500 of the total capital cost of \$1,115,000 for the Renovation and Upgrade of Several Academic Labs at North Campus Project, being in accordance with Chapter 53 of the Laws of 2009, be, and hereby is, approved.

Background

The resolutions authorize the State's one-half share of the capital costs of the community college projects described in the resolutions. The State's one-half share will be funded by State hard-dollar appropriations, and not by the proceeds of bonds issued by the Dormitory Authority of the State of New York.

Projects may be substitutions for projects previously approved by the Board of Trustees and are authorized pursuant to Chapter 53 of the Laws of 2009 which appropriates funds for the State's share of the cost of all projects. A resolution by each local sponsor which authorizes the local share of project costs has been received for each project.
