**To: Members of the Board of Trustees**

**From: Nancy L. Zimpher, Chancellor**

**Subject: Onondaga Community College Tuition Amendment  
for FY 2009-2010**

I recommend that the Board of Trustees adopt the following resolution:

Resolved that Resolution 2009-123, adopted September 15, 2009, be, and hereby is, amended in accordance with the attached tuition summary (copy on file with these minutes in the Office of the Secretary) to increase the tuition for Onondaga Community for the college fiscal year 2009-2010.

**Background**

This resolution approves the prior action of the Onondaga Community College Board of Trustees in amending the full-time resident tuition rate for the 2009-2010 college fiscal year.

Unanticipated mid-year State operating aid reductions of over \$776,000 required cost cutting measures and this tuition increase in order to balance the college's 2009-2010 operating budget.

Approval of this resolution authorizes an increase of \$47 dollars in the full-time annual resident tuition rate for FY 2009-10 from \$3,524 to \$3,571.

Onondaga Community College has consistently been one of SUNY's lowest cost community colleges. In 2008-2009, only three community colleges had lower costs per FTE student.
