All such rules shall be submitted to the respective campus president or designee, or if directed by the Board of Trustees, to the Board of Trustees for approval.

(b) Such rules and regulations shall provide that:

(1) No person shall drive a vehicle on university streets, roads or highways at a speed greater than is reasonable and prudent under the conditions and having regard to the actual and potential hazards then existing; but in no event shall a person drive a vehicle in excess of 30 miles per hour unless a different speed is authorized and indicated by the university or the Department of Transportation.

(v) Three or more unanswered complaints in an 18-month period by the same person regarding violations of a campus parking rule, shall result in a referral to the New York State Commissioner of Motor Vehicles for review in considering the renewal of an operator's license and/or a motor vehicle registration, and the imposition of a fee as approved by the campus president or designee, or by the Board of Trustees, as the case may be, to meet the administrative costs of such referral.

(2) The campus president or designee, shall designate a hearing officer or board, not to exceed three persons, to hear complaints for violation of campus traffic and parking regulations enforceable on campus.
