TITLE A – ESTABLISHMENT AND PURPOSES

§ 331.1 Name.

There shall be a University Faculty Senate of State University of New York.

§ 331.2 Purposes.

The senate shall be the official agency through which the university faculty engages in the governance of the university. The senate shall be concerned with effective educational policies and other professional matters within the university.

TITLE B - MEMBERSHIP

§ 331.3 Composition.

The senate shall consist of the chancellor of the university, two university representatives having university-wide responsibilities, and representatives from each State-operated unit and contract college in numbers determined as follows:

(a) One representative from each unit, independent of the size of the professional staff.

(b) Additional representatives shall be authorized from units on the basis of the number of full-time professional staff according to the following: a second representative for units whose full-time professional staff is greater than or equal to 600 but less than 1100; a third representative for units whose professional staff is greater than or equal to 1100 but less than 1600; and a fourth representative for units whose professional staff is greater than or equal to 1600.

§ 331.4 Election and appointment.

The chancellor of the university shall appoint the two university representatives and the two alternate university representatives having university-wide responsibility. The professional staff of each State-operated unit and contract college shall, by secret ballot and majority of those voting, elect their own representatives and alternates in a manner that shall be further specified in the bylaws of each unit's faculty, provided that the alternate representatives shall serve for the same term as the representatives for whom they are alternates. Alternate representatives shall serve in the absence or inability to act for the representative for whom they are alternates and, in that event, such alternate representatives shall exercise all the powers and duties of the representatives for whom they are alternates.

§ 331.5 Terms.

The university representatives shall serve at the pleasure of the chancellor of the university. Each representative of a State-operated unit or contract college shall serve for a term of three years; provided, however, that no such representative shall serve as a member of the senate after termination of employment in the unit from which the representative was elected.

§ 331.6 Reelection.

An elected representative who has served a full three-year term or major fraction thereof shall be eligible to serve a second consecutive three-year term. Representatives shall not be eligible to serve again as members of the senate until the expiration of one year from the end of their last preceding term. Representatives who have served only a minor fraction of one three-year term may serve for two additional consecutive three-year terms.

§ 331.7 Vacancies.

If a leave of absence or other reason will prevent a senator or alternate from performing the duties of the office for a period of one academic year or longer, the position will be declared vacant and a new election will be held to fill the remainder of the unexpired term. An individual currently serving as an alternate may run in the election for a senate seat which has been vacated in this manner. In the event that both the senator and the alternate are simultaneously unable to represent the campus for a period in excess of four months during the academic year, both offices will be declared vacant and the unexpired terms will be filled by a new election.

The vice president/secretary shall serve as president of the senate during that officer's absence or inability to act. The vice president/secretary of the senate may be
