Tuition for the Universities of Delaware, and Massachusetts and Penn State University are for 2002-2003 and it is expected that these figures will increase.

SUNY Costs are Affordable Compared to Neighboring States

2003-04 Estimated Tuition and Fees - Public Campuses

Effect of the Tuition Assistance Program

- TAP is available to full time students.
- 52% of the University's undergraduate students are eligible for TAP.
- TAP will fully cover a \$950 tuition increase for 60% of those TAP recipients.
- 5,700 more students are partially covered for \$950 tuition increase.
- Families with adjusted gross incomes of up to \$49,500 will not be affected by a \$950 tuition increase, families with incomes of \$57,200 will be partially covered for the increase and families with incomes up to \$95,000 will still receive a TAP award.
