It is understood that any such appointment may be terminated at will at any time. However, when a grant personnel appointment continues without a break in service after the expiration of the grant as a College operating position, and is funded by the Employer, all service rendered under the grant program shall be converted for seniority purposes and benefit rights under the terms of this Agreement.

1.2 **EXCLUSIONS FROM THE BARGAINING UNIT**: Excluded from the bargaining unit are all the employees not specifically included above, all summer seasonal, work-study, student assistants, job training employees and

1.3 **DEFINITION OF EMPLOYEES**

(b) **Regular Part-Time**: Those employees who work a minimum of 17.5 hours (or 20 hours) or more per week (based on the full-time rates noted above) on a regular schedule. These part-time employees shall be eligible for benefits only as noted below:

5. **Holidays**: One-half pay for each scheduled day pursuant to Article 10 below (3.5 hours for 35 hours/week employees, 4.0 hours for 40 hours/week employees).

6. **Step Increases**: Where applicable, shall occur at a point in time when the employee's total accumulated hours equal one full year. (1,820 hours based upon a 35 hours per week full-time schedule, and 2,080 hours based upon a 40 hours per week full-time schedule.)
(7) **Credit Courses**: Regular part-time unit members shall be allowed to enroll in credit courses without charge to a maximum of four (4) credit hours per academic year on a seat available basis. Seat availability shall be determined after the conclusion of registration (including late registration) and prior to the commencement of classes. Regular part-time unit members are not eligible for leave time as specified in Articles 8.7(a) and 8.7(b).

(c) **Less than 1/2 Time Campus Security Officers: Effective December 1, 2002:**

(1) The persons currently assigned as Part-time Campus Security Officers who are working less than 1/2 time will become members of the ESPA and will receive only the benefits that are specifically listed in Article 1.3 (b) of the ESPA contract. Such benefits will be prorated based on the standard number of hours per week for which the part-time position is designated. For example, if a less than 1/2 time position is designed to be filled for 16 hours per week, the person filling the position will receive 2/5 of the benefits listed in Article 1.3 (b); if the position is designed to be filled for 8 hours per week, the person will receive 1/5 of the authorized benefits.

(2) The contract provisions governing opportunity to work are not applicable to these less than 1/2 time security officers.

(3) The Campus Security Department will retain the flexibility to schedule these less than 1/2 time officers as needed.

(4) Any vacancy occurring to a full-time campus security officer position will be filled immediately as long as there are less than 1/2 time Security Officers working in the Security Department.

(5) The College will not replace full-time campus security officer positions with part-time campus security officers as long as there are less than 1/2 time Security Officers working in the Security Department.

(6) Part-time Campus Security Officer(s) will be laid off before full-time Campus Security Officer(s).

(d) **Part-Time Positions Belonging to ESPA: Effective May 24, 2002:**

(1) Regardless of the title given to a position, the job to be performed shall determine the placement of the position as an ESPA position.
If the job assignment reflects the work performed by ESPA members, an appropriate Civil Service title shall be given to the position and the position shall be designated as an ESPA member position.

(2) Any appointment of a part-time Technical Assistant, regardless of the division to which the job is assigned, shall be made known to the ESPA along with the job duties to be performed. The ESPA shall determine by evaluating the job assignment, whether the position is properly designated as an ESPA position or not.

(3) Whenever part-time positions exist, the positions are subject to review by the ESPA so that a determination can be made as to whether the positions can be joined together in order to place such position into the bargaining unit for the purposes of contractual wages and benefits.

(4) Wages offered to any part-time employee shall be commensurate with those hourly wages contained within the current contract between the ESPA and the College.

(e) Less than ½ time Employees Performing Work of ESPA Members: Effective March 24, 2003:

The following provisions will apply to all less than ½ time employees who perform the work of ESPA members with the exception of Campus Security Officer, and who are appointed for a period of at least 12 consecutive weeks.

1) the applicable part-time employees who work less than ½ time will become members of the ESPA and will receive only the benefits that are specifically listed in Article 1.3b of the ESPA contract. Such benefits will be prorated based on the average number of hours per week the persons work during the period of appointment. For example, if a person covered by this Article 1.3(e) works an average of 15 hours per week, the person filling the position will receive 3/7 of the benefits listed in Article 1.3b; if the person works an average of 12 hours per week, the person will receive 1/3 of the authorized benefits.

2) persons who are appointed for less than 12 consecutive weeks and are appointed again immediately following the end of their appointment period or are appointed again after a break in service of not more than 12 full months computed from the first day of their initial appointment will receive the applicable benefits commencing with their 13th week of cumulative service.
3) work schedules for persons receiving benefits under this Article 1.3(e) may be changed to meet the needs of the department provided at least one week’s notice is given the employee. Requests by these employees to change their work schedule may be accommodated with approval of the supervisor.

4) the union contract provisions governing opportunity to work are not applicable to these less than ½ time employees.

5) all less than ½ time employees, regardless of membership in the ESPA, will be laid off before any regular part time or full time member of the ESPA is laid off. In the event a noncompetitive ESPA member is laid off due to lack of continued funding, such members may bump into a less than ½ time position for which they are qualified. It is understood that persons who are members of the ESPA have greater retention rights than non-union persons.

6) in the event that the College has a need to appoint a person to a position with an entry level (non-promotional) title that is not in Pay Grade 1, for example Account Clerk Typist, the College will review their need with the President of the ESPA, or designate, prior to implementation in an attempt to work out any concerns raised by the ESPA.

7) the number of all less than ½ time positions may not exceed a number equivalent to 10% of the membership (not counting the less than ½ time positions), rounded to the next higher whole number, as of the effective date of this Article 1.3(e) and at each renewal thereafter without the approval of the ESPA.

8) this Article 1.3(e) must be renewed by July 1, 2004 and each July 1 thereafter. In the event it is not mutually advantageous to continue the provisions of this Article 1.3(e), persons affected will retain their benefits under this Article 1.3(e) until the end of their appointment period or the academic year, whichever occurs first.
ARTICLE 2 - MANAGEMENT RIGHTS

2.1 The Employer hereby retains and reserves unto itself all rights, powers, authority, duties and responsibilities conferred upon and vested in it by law.

2.2 Except as specifically addressed in this agreement, the Employer retains all rights, privileges, and authority, including but not limited to the exclusive right to direct and schedule the work force, plan, direct and control operations, and to promulgate and enforce rules and regulations as it may deem necessary in the management, direction and administration of all operations and activities of the college.

3.3 **SAVE HARMLESS**: The Union shall hold harmless the College and its officials from any claims, suits, or any other forms of liability that may arise as a result of the College's action or inaction pursuant to this Article, except for any negligence by the College, which results in the failure to promptly furnish the Union monies deducted pursuant to this Article.

3.4 **LISTING OF EMPLOYEES**: The College agrees to furnish the Union with an updated report on a quarterly basis involving any personnel changes including names, work locations, and position titles of all employees in the bargaining unit covered by this Agreement.

(2) notify each employee engaging in the strike activity, in writing, with a copy supplied to the College President, that such activity has not been sanctioned or condoned by the Union;

Such notice shall inform the College which Union officer(s) plan to be absent, on which date(s) and the approximate time involved. In addition, Union officers may use compensatory, personal or vacation time.

3.9 **UNION RIGHTS:** It is agreed that beginning in June 1995, the College shall deduct Ten dollars ($10.00) from the first pay in June of each Association member having authorized such deduction. Written authorization shall be on a form provided by the Association and entitled (Government Affairs Deduction). Money collected by the College will be forwarded to the Political Action Support Staff Treasurer.
ARTICLE 4 - GRIEVANCE PROCEDURE

4.1 STATEMENT OF PURPOSE: Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the College and the employees is essential to the operation of the College, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the College and the employees are afforded adequate opportunity to dispose of their differences without the necessity of time-consuming and costly proceeding before administrative agencies or in the courts. In this regard, every dispute over which a grievance may be filed by members of the bargaining unit or the Union shall be processed under this procedure, and recourse may not be instituted in any other forum.

4.2 REPRESENTATION OF EMPLOYEES:

(b) A total of three Union representatives, any one of which shall be permitted a maximum of one (1) hour per day to investigate and process grievances provided:

1. notice to and permission from his/her immediate supervisor is given and secured, and

2. such action does not interfere with the operation of any College department.

Additional time beyond the one (1) hour maximum noted above may be approved by the department head subject to the requirements noted above.

4.3 DEFINITIONS

(a) **Grievance**: a grievance shall be defined as a complaint by an employee or group of employees in the bargaining unit, or by the Union, that there is an alleged violation, misinterpretation or misapplication of the terms of this agreement.

(b) **Grievant**: the person, group of persons, or the Union submitting the grievance.
(c) **Grievance Committee:** a duly constituted committee of the Union, composed of not more than three (3) members.

(d) **Department Head or Hearing Officer:** the individual charged with the duty of rendering a decision at a particular stage of this procedure.

(e) **Representative of His/Her Choice:** an individual employee, or representative of the Union or its grievance committee, who shall represent the grievant.

4.4 **TIME LIMITS**

(a) **When to File:** Grievances may be initiated, in writing, at the first applicable step within twenty (20) working days of the occurrence or knowledge of the occurrence. This latter situation shall only apply in those legitimate situations when circumstances beyond the control of the employee (or Union) prevented knowledge of the occurrence. In addition, it is agreed that when the Union becomes the grievant, a class action grievance shall not be used as a substitute for an individual filing.

(b) **Filing of Grievances:** Grievances shall be filed on a form agreed upon by the parties, and attached hereto as Appendix A. Such grievance shall contain a brief statement of the nature of the grievance, and the specific provision(s) of the Agreement alleged to have been violated. Failure to process a grievance within the time limit noted above shall be deemed waived.

(c) **Filing By a Group of Employees or By the Union:** When a group of employees are affected by the same act or failure to act by the College, or the alleged violation impinges upon the rights of the Union as set forth in this Agreement, the Union may submit a grievance on its own behalf, directly at Step 2, within the time limits set forth in Section 4.4(a) above.

(d) **Proceeding to the Next Step:**

(1) The failure of the department head or hearing officer at any step to communicate his/her decision within the designated time limits shall permit the grievant to proceed to the next step of the grievance procedure.

(2) The failure of the grievant to appeal a decision to the next higher step within the designated time limits, as detailed below, shall constitute a withdrawal of the grievance, and shall bar further action.
(e) **Grievance Hearings During Working Hours:** Where it has been mutually agreed between the Union and the College to hold grievance hearings during working hours, time spent in the presentation of a grievance shall be paid and not charged against any employee's leave time.

(f) **Time Extensions Must Be in Writing:** All time limits specified in the procedural steps of Section 4.5 below may be extended only upon the mutual consent of the parties, which shall be expressed in writing.

4.5 **PROCEDURAL STEPS:** All grievances arising out of an alleged violation, misinterpretation or misapplication of the terms of this agreement shall be presented and adjusted in the following manner:

(a) **Step 1:** A grievant having a grievance shall file such grievance in writing with his/her department head either directly or through a Union representative. The grievance shall contain a brief statement of the nature of the grievance and a specific provision(s) of this Agreement alleged to have been violated. Within five (5) working days after the written grievance is presented, the appropriate department head shall render a decision thereon, in writing, and present it to the grievant, with a copy to his/her designated union representative. It is the intent of the parties to seek an informal resolution of the grievance, if possible, at this step.

(b) **Step 2:** If the grievance is not resolved through the efforts at Step 1 above, it shall be presented to a designated hearing officer within five (5) working days after receipt of the Step 1 decision, or failing a decision within the time provided, no later than five (5) working days after a decision has been provided. Within ten (10) working days after receipt of the appeal, the hearing officer shall render a decision thereon, in writing, and present it to the Union, with a copy to the grievant. The President shall appoint a hearing officer prior to each hearing and shall notify the Union president of said appointment. The hearing officer shall occupy a title of Dean or Assistant to the President.
(c) **Step 3**: The grievant may appeal the decision rendered at Step 2 above within ten (10) working days after receipt of the decision by submitting a written appeal to the President of the College. Such written appeal shall set forth specifically the nature of the grievance, the facts relating thereto, and the Grievant's reasons for rejection of the decision rendered at the second stage. The President will make every reasonable effort to arrange a hearing within five (5) workdays following his receipt of the Union's Step 3 appeal. The President (or his designee) shall have the right to invite any additional person(s) to participate at the hearing. The President (or his designee) shall then render a decision, in writing, to the Union, within five (5) working days after the conclusion of the hearing.

(d) **Step 4**: In the event there has been no resolution of the grievance regarding the terms of this agreement, the unresolved issues may be submitted by the Union to binding arbitration no later than fifteen (15) days from the written decision at Step 3 above, by filing a demand for binding arbitration with the Public Employment Relations Board. Thereinafter, arbitrator selection and arbitration procedures on this Article shall be conducted pursuant to the rules and regulations of the Public Employment Relations Board.

(e) **Power and Authority of the Arbitrator**: It is understood and agreed that this Agreement constitutes the entire agreement of the parties. Accordingly, the arbitrator shall limit his/her decision strictly to the interpretation or application of the express provision(s) of this Agreement, and shall be without power or authority to make any decision or award:

1. modifying or amending in any way, or inconsistent with the terms of this agreement;

2. which is contrary to law;

(f) All fees and expenses of the arbitrator shall be borne equally by the College and the Union.

4.6 **REMEDY**: The arbitrator shall have the power and authority to decide whether or not the Agreement has been violated, and to issue a make whole award.
ARTICLE 5 - DISCIPLINE/DISCHARGE

5.1 No employee having the benefit of seniority shall be disciplined or discharged without just cause.

5.2 PROCEDURES

(a) Employees who are disciplined or discharged shall have the option of seeking review under either the grievance procedure, or, alternatively, Civil Service Law Section 75.

(b) When discipline or discharge is contemplated by the College, the employee involved shall be served with written notice of discipline which details the action(s) giving rise to such charge, together with the disciplinary action intended. Such notice may be served personally, or by certified mail, return receipt requested.

(c) Within ten (10) days of the receipt, of any notice of discipline, the parties shall meet informally to try to resolve the issue before formal hearings are held. The employee shall be entitled to a Union representative to accompany him/her to this meeting.

If the matter is not resolved, the employee must inform the College of his/her option for review pursuant to 5.2(a) above.

(d) Where the employee selects review through the grievance/arbitration procedure, it is understood that all rights and procedures specified in Civil Service Law Section 75 are waived, and resort to Section 75 shall be foreclosed.

5.3 TIME LIMITATIONS: A notice of discipline may be used for up to two (2) years as a basis for a charge of discipline. After such two (2) year period, the notice of discipline may only be utilized for the purpose of demonstrating a pattern or practice, and/or for determining the appropriate penalty.

5.4 REVIEW

(a) Civil Service Law Sections 75: When an employee selects this as a method of review, and so notifies the College of such, the procedures for hearing and appeal contained therein shall apply.

(b) Grievance/Arbitration: When an employee selects this as a method of review, the procedures set forth in Section 5.5 below shall apply.
5.5 **DISCIPLINARY GRIEVANCES:** Employees having seniority shall have the right to file a grievance under this Agreement to protest the absence of just cause for discipline. A grievance over suspension or discharge must be presented at Step 2 of the grievance procedure within no more than ten (10) days after the date the informal meeting pursuant to Section 5.2(c) took place; other disciplinary grievances must be presented at Step 1 of the grievance procedure within twenty (20) days after the written notice of discipline was received. If a grievance is not filed within the appropriate time period, the disciplinary action shall be deemed for just cause.

5.6 **ARBITRATION OF DISCIPLINARY GRIEVANCES:** Only grievances dealing with suspension, fine or discharge may be arbitrated. All other disciplinary grievances, if unresolved after review pursuant to the pre-arbitration stages of the grievance procedure shall be held in abeyance. Should any issue raised by a notice of discipline later be used by the College in any future suspension or discharge action against the employee, the allegations contained therein will be subject to review by the arbitrator.
ARTICLE 6 - WORK HOURS

6.1 WORK WEEK

(a) The work week for full-time employees shall be scheduled between Sunday through Saturday and shall consist of 35 hours per week or 40 hours per week for security personnel and assistant superintendent of buildings and grounds. However, current employees of the College hired prior to September 1, 1991, shall be scheduled between Monday through Friday, unless they agree otherwise. It is understood and agreed that the College may create new positions and/or fill vacancies on a Sunday through Saturday basis.

(b) For employees whose regular work schedule is other than Monday through Friday, the College will provide the affected employee with two (2) consecutive days off unless the employee agrees otherwise.

(c) An employee may submit to the President, with the supervisor's approval, a request that would allow the employee to work a flexible schedule that is not four consecutive days, e.g., work Monday, Tuesday, Wednesday, Friday and have Thursday off.

6.2 WORK HOURS: Within the 35 hours or 40 hours per week noted above, the College may schedule hours during the workweek so that a workday is seven (7) consecutive hours for 35 hour/week employees and eight (8) consecutive hours for 40 hour/week employees. However, the College reserves the right for new employees hired on or after September 1, 1991, or for new positions or vacancies, to schedule hours during the workweek so that a workday is not less than seven (7) consecutive hours or more than ten (10) consecutive hours for a minimum of four (4) consecutive days. Employees hired prior to September 1, 1991, may also volunteer to be placed on this seven (7) to ten (10) hour schedule.

6.3 WORK SCHEDULE

(a) Work schedules for the Fall, Spring, or Summer semester shall be provided to employees as soon in advance as possible and posted on each department's bulletin board. Within the parameters of 6.1 and 6.2 above, schedules may be changed or altered based upon the operational needs of the College, but any such changes shall be kept, insofar as feasible, to a minimum, and such schedule changes shall not be used to avoid the payment of overtime. Reasonable advance notice shall be given for changes in work schedules, except for emergency situations.
(b) The College agrees to speak with employees who may be adversely affected by the changes or alterations in their schedule, and to cooperate with them to the extent feasible (e.g., employees who may have child care difficulties, or who may be caring for ill or disabled immediate family members, etc.).

(c) The College shall give a 1-week notice prior to any involuntary shift change of a unit member.

6.4 **LUNCH PERIODS**: Management will assign lunch periods to assure appropriate office/job coverage. However, once assigned, employees shall be guaranteed an uninterrupted lunch break, which will only be interrupted in the case of an emergency. Employees may request an optional one-half (1/2) hour lunch period with the mutual approval of the department head.

6.5 **CALL-IN**: Employees who are called in for emergency duty at times beyond their normal working days shall receive a guarantee of four (4) hours pay at their applicable straight time rate, or when their workweek exceeds 40 hours at a one-time rate of time and one-half for all times beyond forty (40) hours.

6.6 **SUMMER HOURS**

(a) **Summer Schedule**: The College reserves the right to convert to a summer schedule. This schedule shall normally consist of Monday through Thursday as working days, with Friday, Saturday and Sunday off, and shall commence not earlier than the first Monday after graduation and end no later than the Friday preceding Labor Day.

(b) **Employee Options**: Employees shall be given the option of completing their work schedules on a Monday through Thursday basis or elect to work their regular schedule for Monday through Thursday and have the option of:

1. receiving pay, on an hourly basis, for time actually worked (including approved leave time with full pay) or

2. making up lost time through the use of compensatory, personal and/or vacation time.

3. Employees choosing any of the options available during the summer four-day workweek period may choose to take either a 30 minute or 60 minute lunch break.
(c) Effective August 1, 2001, when the College is closed on Fridays as part of the summer schedule and a unit member works a Friday which is not part of their normal summer work schedule, he/she will be paid time and one-half for all hours worked on that Friday. It is understood that this provision does not supersede the provisions of section (e) below.

(d) Effective November 7, 1996, when the College calendar stipulates that the College will be open to the public five days per week during the summer period, employees shall be given the option of completing their work schedules on a 4 day work week basis, working their regular schedule on a 4 day basis, or to continue to work a 5 day schedule. Employees who elect to work a 4 day work week may be scheduled, based on the operational needs of the College, on Monday through Thursday with Friday, Saturday, and Sunday off, or Tuesday through Friday with Saturday, Sunday and Monday off. Any conflicts in scheduling between either a Monday through Thursday or Tuesday through Friday schedule will be determined on the basis of seniority. Those employees working their regular schedule on a 4-day basis shall have the option of:

1. receiving pay, on an hourly basis, for time actually worked (including approved leave time with full pay) or

2. making up the lost time through the use of compensatory, personal and/or vacation time.

3. Employees choosing the 4-day workweek option during the summer schedule may choose to take either a 30-minute or 60-minute lunch break.

(e) **Essential Personnel:** The summer hour schedule noted above shall not apply to security personnel, grant personnel or to the Assistant Superintendent of Buildings and Grounds. However, where the College president is satisfied that security and/or grant personnel are able to complete their tasks and responsibilities on a Monday through Thursday or Tuesday through Friday basis, the summer hour schedule shall be offered to the extent feasible to these employees based on seniority.

(f) **Notice**

1. Notice to the Union shall be provided at least sixty (60) days prior to the effective date of any summer hour change, together with the staffing needs and work hours associated with such needs.
(2) Employees shall notify their supervisor, at least four (4) weeks prior to the effective date of the first day of the College's summer hours schedule of which option in Section (b) above each employee selects. Once the option is chosen, it may be changed only with the consent of that employee's supervisor, which shall not unreasonably be denied. However, the supervisor's decision is final and shall not be subject to the grievance and arbitration procedure of this Agreement.

(3) The College shall notify employees of their work schedules as far in advance as possible following receipt of the employee's options, but in any event no later than one (1) week prior to the beginning of the summer schedule. The College shall have the option of changing an employee's work location in order to accommodate its needs.

(g) **Review/Revision**: During the first year (1992) of the implementation of the College’s summer hours program, the College president and the Union president shall meet on an as-needed basis in order to attempt a resolution of any problems as they may occur. Where either or both presidents are unable to meet, the meeting shall take place with his/her designee.

Following the first year (1992) of the College's summer hours program, the College and the Union shall meet, evaluate the procedures associated with the program, and attempt a joint resolution of any problems which may have occurred. Where mutual agreement is not possible, the College President shall retain final authority regarding any and all procedural changes, which may include but is not limited to the decision to continue or cancel any further summer hours program. However, changes in terms and conditions of employment as defined by the Taylor Law require Union approval.

### 6.7 TEN MONTH EMPLOYMENT

(a) The College shall have the option of creating ten-month position(s). Such position(s) will include any 42 consecutive week period during the year with the approval of the employee and the College President.

(b) **Implementation**

(1) **Procedure**: Once the College designates ten (10) month position(s), within any department it shall post notice of such position(s) on the Human Resources' bulletin board and
simultaneously send a copy of such notice to the Union president. Following the procedure outlined in such notice, employees may voluntarily elect to convert to a ten (10) month schedule.

(2) **Return to Normal Position:** Twelve (12) month employees who may be affected by the College's conversion of any department (or portion thereof) to a ten month operation, shall be transferred to any other College department, based upon need, for the remaining two (2) months. Following such period, such employee(s) shall be returned to his/her normal position.

(c) **New Hires/New Positions:**

(1) The College reserves the right to create new ten (10) month positions in their own right, or as a replacement for a twelve (12) month position where the incumbent in such position has resigned, retired, transferred from or otherwise left such position.

(2) New employees may be hired by the College on less than a twelve (12) month basis.

(d) **Permanent Transfers to Ten (10) And/or Twelve (12) Month Positions:** Employees who desire a twelve (12) or ten (10) month position may be transferred in order to meet the needs of the College. However, it is understood that such transfers must be on a voluntary basis.

(e) Ten month employees shall be eligible for benefits as noted below:

(1) **Health Insurance:** 100% of the applicable benefit for full-time employees as provided in Article 13.

(2) **Leaves of Absence:** As per Article 8 and Article 9.

(3) **Holidays:** All paid holidays listed in Article 10 which fall within the employee's work year.

(4) **Step Increase:** Step movement for each full ten (10) month year worked.

(6) Credit in the New York State Employees Retirement System up
to a maximum of ten (10) months.

(7) Upon mutual consent of the supervisor and the employee, a supervisor may make a request to the President of the College that a ten-month employee work additional days above and beyond the normal 10-month year.

When a ten-month employee is on the payroll for a minimum of 70/80 hours during the month of June, and/or a minimum of 70/80 hours during the month of August, such employee will earn 3.5 hours of sick time for that month. It is understood that one must be on the payroll and accumulate the 70/80 hours during the first 10 work days of June or the last 10 work days of August in order to earn the sick time. Hours worked beyond 35/40 in any given pay week are not included in the minimum of 70/80 hours required for earning the 3.5 hours of sick time.

During the months of September through May, sick time for ten-month employees is governed by Article 8.1.

Should the above list fail to include any benefit which the Union feels that ten (10) month employees are entitled to, the Union President shall bring same to the attention of the College President. It shall be left to the two Presidents to resolve any such issue.

6.8 WINTER AND/OR SPRING RECESS:

(a) This will constitute formal notice that the College intends to implement a total shutdown for the winter recess period (defined as a period encompassing an employee’s regularly scheduled work hours following Christmas Day and before New Year’s Eve Day, excluding holidays) and for the spring recess period (defined as the period encompassing an employee’s regularly scheduled work hours from Easter Sunday through the following Saturday). Such shutdown would become effective for the Christmas recess period of 1991. During the shutdown period(s) only essential personnel, as defined in Article 6.6(c), will be required to report to work unless specifically excused by the President of the College or his/her designee. Employees will be paid as per Article 7, College Closing. Within the same parameters as outlined in Section 6.6 (c) above regarding essential personnel, the College President may excuse any such employees for any part or all of each recess period on the basis of seniority.

(b) Effective April 21, 1999, in the event that the college has a need for a non-essential unit member to work during all or a portion of a winter or
spring recess day(s), the college may request an employee(s) to work. Employees who agree to work will be paid the same as essential personnel are paid for working during a recess day(s). Prior to requesting an employee(s) to work, the supervisor will obtain authorization from the President of the College. Such authorization will then be communicated to the President of the ESPA. Employee(s) who primarily perform the duties needed to be accomplished during a recess day will be asked to work the recess day(s) first. Should the primary individual(s) not accept the assignment to work, other employees within the department who are qualified to perform the necessary duties will be asked to work based on the departmental overtime list. It is understood that the employee(s) who are requested to work may refuse such work. The only action taken by the College for not working is to charge a refusal provided sufficient advance notice was given the employee.

6.9 **SHIFT DIFFERENTIAL:**

(a) The normal working hours for the College shall be 8:00 a.m. to 8:00 p.m. Employees who are regularly scheduled to work a shift commencing after the normal 9:00 a.m. to 5:00 p.m. shift time shall receive an additional 30 cents per hour for all hours worked after 3:00 p.m.

(b) An employee may submit to the President, with the supervisor's approval, a request that would allow the employee to work hours outside of the 8:00 a.m. to 8:00 p.m. normal hours with no shift differential.

6.10 **TRANSFERS**

(b) **Involuntary Transfers:** Transfers in which the College retains the unfettered right to transfer employees. No such transfer shall be used for disciplinary purposes. Employees may request, in writing, a reason for any such transfer where there is a perceived hardship (financial or physical).

6.11 **PROFESSIONAL DEVELOPMENT**

The College will provide $35 towards membership in professional organizations, excluding the NCCC ESPA, which are jointly approved by the Director of Human Resources and the President of the ESPA. In addition, the College will guarantee that each unit member will be able to attend skill-based
professional development programs of their choice to a maximum of 1 day per year.

If excused, an employee shall receive his/her regular salary for time not worked. Essential employees who work during the College closing will receive the equivalent of double time for time worked as follows:

If employees work beyond the call-in time set forth herein, the employees shall continue to be paid for all such hours or part thereof worked at a straight time or overtime rate, whichever is applicable.

7.3 CLOSING TIMES: Not withstanding Article 6.9, for the purpose of this article a day shall be defined as 12:01 o’clock A.M. through twelve o’clock A.M. (midnight). If the College is forced to close after 7:00 AM, employees working between that time and 12:00 A.M. (midnight) shall benefit from Section 7.1 above. If the College is forced to close before 7:00 A.M., employees working between 12:01 A.M. and the announced closing shall benefit from Section 7.1 above.

7.4 OFF-SITE CLOSINGS: In the event it is necessary to close an off-campus site while the main campus is open does not necessitate the payment of additional remuneration or time off to members of the ESPA who are at work at the main campus or any unaffected off-campus site.

Once this maximum accumulation is reached, no more sick leave credits may be earned by the employee except to the extent of restoring credits subsequently drawn for sick leave and thereby building up accruals again to the appropriate number of maximum days.

(b) Sick leave credits shall not be earned while an employee is on a leave of absence without pay in excess of five (5) workdays per calendar month, under disciplinary punishment involving the loss of work time in excess of five (5) workdays per calendar month, or while on a leave of absence with one-half (1/2) pay.

(c) Employees may utilize accumulated sick leave credits in no less than one-quarter (1/4) hour (15 minute) increments for medical or dental visits which cannot be scheduled other than during the time of the employee's normal work schedule, subject to approval of his/her immediate supervisor.
(d) **Notice**: An employee must have given notice of his/her absence due to illness to his/her immediate supervisor (or designee) as far in advance as possible, preferably at least one (1) hour before the employee's regular shift starting time. During this period it will be the employee's responsibility to present each month a document prepared by a physician of the employee's choice which certifies as to the employee's continued disability. The College will have the right to have the employee examined by their physician as they deem necessary. In special instances, sick leave with half pay may be further extended with the approval of the College president and such approval shall not be unreasonably withheld. Leave, not exceeding twelve (12) months without pay, may be granted in the case of employees who have served continuously for at least one (1) year in the College service. Upon his or her return to active duty, such employee shall be re-credited with that proportion of earned credits consumed during the period of his or her absence, which the amount of his or her Worker's Compensation award covering the period of earned sick leave and other time credits consumed and credited to the College, bears to the amount of salary he or she received during the period that sick leave and other time credits were consumed. All lump sum payments and/or awards to which the employee is entitled by law for injury or disability shall be retained by the employee and the College shall not make any claim for all or any portion of such award. If any employee requests vacation pay for his or her vacation while on a compensable leave, the employer shall pay such employee for the accrued leave.
ARTICLE 9 - CHILD REARING LEAVE

9.1 **MATERNITY-DISABILITY LEAVE:** Shall be governed by Sections 8.1 through 8.3 above.

9.2 **CHILD REARING LEAVE - PURPOSE**

(a) Subject to the conditions set forth in this Article, child rearing leave shall be granted to any employee for the purpose of caring for a child who is resident in the employee's own home during the period of the leave, provided that the employee desires to resume active employment following the expiration of such leave period.

(b) Further, the leave shall apply for caring for a newborn child or a newly adopted child six (6) years of age or younger.

(c) Employees serving their initial probationary period at the time of hire or rehire shall not be entitled to child rearing leave pursuant to this Article. Employees serving a probationary period as a result of a promotion to a different competitive class position subsequent to having fulfilled their initial probationary period shall be eligible for the benefits of this Article.

9.3 **ADVANCE WRITTEN NOTICE:** Where the need for a leave can reasonably be anticipated in advance, as in the case of pregnancy, pending adoption or the like, the employee shall give his/her immediate supervisor written notice of the impending need for the leave and as close an approximation as possible of the date when the employee requests the leave to begin.

9.4 **APPLICATION:**

(a) **Child Rearing:** Actual application for the leave shall be submitted to the employee's immediate supervisor at least thirty (30) calendar days in advance of the first day of leave. Such 30-day notice may be reduced or waived if immediate leave had to be taken without notice because of circumstances beyond the employee's control.

(b) **Adoption:** The employee will make every effort to provide at least thirty (30) days notice of intent. Leave shall commence with the adoption.

9.5 **TERM OF LEAVE:** An employee will be permitted up to a maximum of ten (10) months of unpaid leave for child rearing pursuant to this Article.
9.6 **WITHOUT PAY:** Child rearing leave is without pay or benefits of any kind except as provided in 13.9 below.

Such notice shall be sent at least forty-five (45) days prior to the employee's scheduled date of return. The employee must then confirm to his/her immediate supervisor, in writing, the employee's intent to return on the required day and such writing shall be delivered to the immediate supervisor not later than the thirtieth (30th) consecutive calendar day prior to the last day of the leave. Failure to give such notice on time may be deemed to be a voluntary resignation by the employee, which the college is entitled to accept, effective as of the last day of the leave.

9.8 **FAILURE TO RETURN:** If the employee fails to resume active employment by the end of the granted leave period, the employee will be considered as having voluntarily resigned. The effect of any such resignation shall include permanent severance of employment with the college for all purposes under the law. However, if the employee's failure to file or return when scheduled was due to an emergency, the employee may be excused, if the employee:

(a) notifies his/her immediate supervisor as soon as possible following the emergency;

(b) provides any documentation which may be requested by the supervisor; and

(c) the College President, or his designee, determines that the documentation submitted suffices.

For purposes of this Section, an emergency is any circumstance beyond the control of the employee, where, even with due diligence, such unforeseen circumstance prevented the employee from complying with the requirements of this Article.

9.9 **ACCUMULATION OF SENIORITY OR SERVICE CREDIT:**

(a) Probationary service credit or seniority will not be granted for any period of time spent on child rearing leave.

(b) When employees return from child rearing leave, they shall be re-credited with all unused time accumulated benefits which they had accumulated as of the day prior to the first day of their leave.

12.5 **ANNUAL INCREASES:** Annual increases in salary are not mandatory, but each employee shall be entitled to one (1) step increase up to the maximum for the position, provided that the step is recommended by the department head and forwarded to the College President for approval. Employees appointed prior to the 1st of March shall be eligible to receive a step increase on the following September 1st. All others must spend a full academic year in service before being eligible for the step increase. An employee on leave of absence without pay may be considered for a step increase, providing he/she worked a minimum of six (6) months in the academic year. Such payment shall not apply unless the employees have worked an accumulative total of ten (10) days in the classification that is assigned to a higher pay group within a fiscal year of the employer.

12.8 **ALLOCATE DOWNWARD:** When employees are reallocated to a lower class position as a result of layoff, recall, voluntary or involuntary demotion, they shall be permitted to continue at their present rate of pay during the period of incumbency (except in event of general service-wide reductions), but shall not be entitled to salary increases.

12.10 **OVERTIME:** Compensation shall be at time and one-half (1 1/2) the hourly rate for time actually worked beyond forty (40) hours per week, except where otherwise specified herein. The department will extend every effort to distribute overtime as equitably as possible and will post records monthly concerning overtime worked.

(a) Employees covered under this Agreement who work thirty-five (35) hours per week shall receive pay at their regular hourly rate of pay for each hour or part thereof between the thirty-fifth (35th) and fortieth (40th) hour. (c) The College shall make every effort to pay employees who perform an overtime assignment for such work at the rate of pay set forth in this Section on the first pay day following the payroll period in which they worked the overtime. If the College does not pay the employees on the first pay day, the College, without fail, shall pay the employees on the second pay day following the payroll period in which the overtime was worked.

(d) Employees may refuse overtime as long as said refusal does not work a hardship on the department concerned as determined by the department head. If employees refuse the overtime, the hours refused shall be charged as time worked, for the purpose of overtime equalization.
Advance Notice of Overtime Work: Where scheduling permits and overtime work is contemplated, employees shall be given at least one (1) week notice of such. If such notice is not given, the employee who would be next to work such overtime shall not be charged if he/she refuses. Unanticipated overtime resulting from absent employees or other emergency situations shall not require advance notice.

Each contract year, the overtime distribution will begin anew on the basis of seniority. Employees who have not yet been called at the end of the previous contract year shall have their names placed at the top of the overtime list. The order of employees on this list shall not change except

ARTICLE 13 - HEALTH AND MEDICAL INSURANCE

The College agrees to provide a voluntary cash buy-out of the BC/BS Traditional Plan to unit members as follows:

- For unit members currently enrolled in the BC/BS Traditional plan in year 2003 – 2004 and who switch to an HMO for 2004 – 2005:
  
  $8,000 in cash allocated as described below with no bonus days, or $7,400 in cash allocated as described below plus 5 bonus days of paid time off as specified below.

- For unit members currently enrolled in the BC/BS Traditional plan in year 2003 – 2004 and who switch to the self-funded plan (NOVA) for 2004 – 2005:
  
  $4,000 in cash allocated as described below with no bonus days, or $3,400 in cash allocated as described below plus 5 bonus days of paid time off as specified below.

- For unit members currently enrolled in an HMO or have a waiver in year 2003 – 2004:
  
  $4,000 in cash allocated as described below with no bonus days, or $3,400 in cash allocated as described below plus 5 bonus days of paid time off as specified below.

It is understood that the above buy-out is for full-time unit members and that regular part-time unit members will receive ½ of the applicable full-time amount and the less than ½ time unit members will receive the applicable % of the full-time amount. Bonus days must be used during year 2004 – 2005 or be lost to the member. Unit members who leave employment with the college are not eligible for payment of unused bonus days.

The cash buy-out will be paid within 90 days after final ratification of this agreement by all parties. Persons must be employed by the College at the time payment is made. Unit members designated as temporary employees will not be entitled to the buy-out. It is understood that members funded by a grant are not considered temporary for purposes of eligibility for the buy-out.

Unit members may receive all or any portion of the amount as a cash payment via a separate payroll check or allocate all or any portion of the cash payment to a Health Reimbursement Account (HRA). The portion allocated to an HRA will be allocated in equal installments over the life of this Collective Bargaining Agreement (9/1/2003 – 8/31/2007) with the first payment made at the time the buy-out is paid and subsequent payments made on 9/1/05 and 9/1/06. Amounts allocated to the HRA may be carried over from year to year but not beyond august 31, 2007. Monies remaining in the HRA
after August 31, 2007 will be lost to the member. It is also understood that no payments will be made to the HRA after August 31, 2007.

Unit members choosing the buy-out option and those hired after final ratification of this agreement (August 17, 2004) may not enroll in the BC/BS Traditional Plan or the NCCC Self-funded Health Plan at any time in the future.

Unit members currently enrolled in the BC/BS Traditional Plan who do not choose the buy-out option will be enrolled in the BC/BS Traditional plan that is the same as provided for the Faculty Association, i.e., the BC/BS Traditional Plan (medical surgical 60/61 and hospital 42/43) with unlimited lifetime major medical with $100.00 deductible for one (1) person; $200.00 deductible maximum for 2 persons. In addition, the following riders will be provided: Rider 8 (dependent coverage to age 23); Rider 21 (psychiatric care); rider 45 (cosmetic surgery); rider 48 (out-of-area benefits); Rx riders P & 8 ($7 + mail order).

Unit members who do not choose the buy-out option and are currently enrolled in an HMO or have a waiver of health insurance may not enroll in the BC/BS Traditional Plan or the NCCC Self-funded Health Plan at any time in the future except during the year in which they will retire from the College. Such members may enroll in the BC/BS Traditional Plan during the open enrollment period for the year in which they plan to retire. It is also understood that such enrollment obligates the unit member to retire from the College within one (1) year of enrollment. Should circumstances be such that a unit member in this category wants to retire after the open enrollment period described herein but is unable to enroll in the BC/BS Traditional Plan due to limitations prescribed by the health insurance company, such unit member may enroll in the BC/BS Traditional plan at the next open enrollment period.

Current employees who intend to enroll in the BC/BS Traditional plan must notify the Director of Human Resources, in writing, no later than August 4, 2004. Such members will not be eligible for the buy-out.

13.1 BENEFIT FOR ELIGIBLE FULL-TIME EMPLOYEES

(a) Effective upon ratification of this contract by both parties (August 17, 2004), the College shall provide for all eligible full-time employees health insurance through the Blue Cross/Blue Shield of Western New York under the Medical/Surgical 60/61 and Hospital 42/43 Plan with Unlimited Lifetime Major Medical with $100.00 deductible for one (1) person; $200.00 deductible maximum for 2 persons. In addition, the following riders will be provided:

1. Rider 8 (dependent coverage to age 23)
2. Rider 21 (psychiatric care)
3. Rider 45 (cosmetic surgery)
4. Rider 48 (out-of-area benefits)  
5. Rx Riders P & 8 ($7 + mail order)

It is understood that should BC/BS unilaterally eliminate or modify the current traditional indemnity health plan, the College will negotiate a comparable resolution for the loss in benefit.

(b) In lieu of the basic health insurance plan offered by the College as indicated above, unit members may elect to participate in the Niagara County Community College Self-funded Health Plan which will include:

(1) hospital coverage  
(2) medical/surgical coverage  
(3) unlimited lifetime major medical with $50.00 deductible for one (1) person; $100.00 maximum deductible for a family  
(4) dependent children to age 23 (school attendance not required)  
(5) psychiatric care  
(6) prescription coverage including contraceptives and the mail order provision.

Such health insurance will be the same as the Niagara County Community College Administrator’s Health Benefit Plan in effect at the time of ratification of this bargaining agreement. Niagara County Community College will not unilaterally change the benefit levels contained therein during the period of this agreement. However, should Niagara County unilaterally mandate a change, the College will so notify the ESPA, but will not be obligated to provide any benefit no longer provided.

13.2 HEALTH CARE COVERAGE - PAYMENT SCHEDULE

(a) Unit members employed as of August 21, 2001 shall for the first 42 months of cumulative service in which they have been eligible for health insurance pay the percentage costs for the health plan chosen as listed below under employee contribution. Commencing with the 43rd month of cumulative service and each month thereafter, the employer shall pay 100% of the cost of the health insurance plan chosen by the employee. However, the College will not be obligated to pay a premium that exceeds that of the BC/BS Traditional Indemnity plan in effect at the time.

**Note:** months of cumulative service for current members employed as of August 21, 2001 include service already accrued.

(b) For unit members hired after August 21, 2001, the College shall pay the cost of the health plan chosen by the new employee as specified in the above paragraph. However, commencing with the 43rd month of cumulative serve in which they were eligible for health insurance, the College shall pay 90% of the premium of the health plan chosen by the unit member and the member shall pay 10% of that premium. The College will not be obligated, however, to pay a premium that exceeds 90% of the BC/BS Traditional Indemnity plan in effect at the time.

(c) Not withstanding paragraphs (a) and (b) above, unit members hired after August 21, 2001 who subscribed to the BC/BS Traditional Indemnity Plan will be obligated to pay 10% of the annual increase in the cost of the BC/BS Traditional Indemnity Plan. The amount to be paid will be determined by subtracting the sum of the monthly premium charged by BC/BS for the months September 2000 through August 2001 from the sum of the monthly premiums for September 2001 through August 2002 and multiplying by 10%. Such amount will be paid through the section 125 flexible spending plan unless the unit member specifically requests otherwise. Unit members will have the amount deducted from the first pay period in June thereafter. Should BC/BS increase rates more than one time during a contract year the College shall recalculate the amount to be paid by unit members and, if necessary, make an additional deduction from unit member’s pay within the current contract year. This procedure will be followed in the same manner for each subsequent year using the monthly premiums of the applicable years. It is agreed that the Human Resource Office will review the calculations with the ESPA prior to authorizing the deductions.

13.3 **HMO COVERAGE**

(a) The employer agrees to provide State approved HMO's (Univera, Independent Health, and Community Blue I Plan) to eligible employees at a contribution rate not to exceed that provided for the basic health insurance plan noted in 13.1 above.

(b) The employee's share of any HMO coverage selected shall be paid on a payroll deduction basis.
(c) It is understood that should the health insurance carrier unilaterally eliminate or modify the plan, the College will provide a comparable (meaning as close as possible) plan. It is understood that the College will meet with the ESPA to determine a comparable resolution. The intent of this language is to ensure that the College will meet with the ESPA to discuss any unilaterally changed benefit by the HMO so that the College cannot arbitrarily determine the change.

13.4 DUPLICATE HEALTH COVERAGE

(a) All members of the bargaining unit shall have a maximum of one (1) family health plan per family. If a unit member is covered (or eligible for coverage) under a spouse's insurance plan which provides coverage that is comparable to that provided by the College, then the unit member may not take health insurance through the College and must take the waiver option discussed below.

(b) When a husband and wife are both employees of the College and/or the County of Niagara, in any capacity, only one (1) family coverage with a waiver may be selected.

(c) Should a spouse's health coverage be terminated for any reason, the unit employee will be entitled to coverage under the health plan herein, provided he/she notifies the college, in writing, immediately following his/her spouse's loss of health care coverage, and coverage shall be reinstated on the first day of the month following thirty (30) days of the College's receipt of the above notification or sooner where carrier permits.

13.5 USE OF ALTERNATE CARRIER(S)

Should the College wish to provide coverage through a carrier other than BC/BS, it shall so notify the union and negotiate same.

13.6 HEALTH INSURANCE COVERAGE UPON RETIREMENT

(a) (1) Upon retirement, current College employees shall be eligible for group coverage as noted below. Continuous full time College service is required. Retirement shall be defined as retirement under the New York State Employees Retirement System:

(b) Health insurance coverage effective for employees retiring on or after August 17, 2004, shall be based on the current health insurance program covering active College employees.

(c) Retirees 65 years of age or older must utilize coverage under Medicare in conjunction with the College's plan.

13.7 **MEDICARE ELIGIBILITY:** When active employees and/or their spouses turn 65 years of age, they must choose between Medicare and their current health care coverage as their primary health insurance.

13.8 **WAIVER BENEFIT:**

(a) Effective upon ratification of this contract by both parties the College agrees to provide unit members, on or about May 1st of each year, the following amounts in exchange for a waiver of health insurance benefits for the year: $500 (for waiver of single coverage) or $1000 (for waiver of family coverage). Part-time unit members shall be eligible for the health insurance waiver benefit determined in the same manner as full-
time members.

(b) Written notification to the college must be submitted on or before September 1st, on a form agreed to by the parties annexed to this Agreement as Appendix F. Once such a written waiver notice is submitted, it shall continue in effect unless and until rescinded, in writing, by the bargaining unit member.

(c) It is understood and agreed that any unit member who waives health insurance coverage for any one year may elect coverage for any subsequent year. Such election must be made during the college's open enrollment period.

(d) Notwithstanding the waiver of health insurance coverage by a unit member for any year, the unit member will be permitted re-entry into the college's health plan where unforeseen events occur which have not resulted from the unit member's fault or negligence. Re-entry shall be subject to any insurance carrier's restrictions which may apply.

(e) The actual waiver amount paid to any employee pursuant to this section shall be determined by applying the College's contribution rate for that employee to the appropriate maximum waiver amount noted above.

(f) Prorated waiver payments: employees who submit written notification to the College before the first of any month of their intention to drop the College's coverage shall be credited with a full month for purposes of the waiver beginning with the next full month following notification. Said employees will thereafter receive one-twelfth (1/12th) of the appropriate waiver sum for each full month in which health insurance is waived.

13.9 **HEALTH INSURANCE - UNPAID LEAVES OF ABSENCE**: Health insurance benefits shall continue for up to a period of two (2) months during any approved unpaid leave of absence.
ARTICLE 14 - IRS Section 125 Flexible Spending Account Plan

It is agreed that the College and the Educational Support Personnel Association will begin an Internal Revenue Service (IRS) Section 125 Flexible Spending Account plan by the start of the 1993-1994 academic year.

It is also agreed that the College will be able to recoup any and all costs from any surplus funds at the end of each year. Surplus monies remaining after the College has recouped any and all costs will be distributed on a pro-rata basis (proportionate to contributions) to participating bargaining unit members.

Participants will notify the College on a form to be provided no later than a date to be mutually agreed upon by the College and the Association.
ARTICLE 15 - SAFETY CONSIDERATIONS

15.1 **SAFETY**: The College shall continue to make reasonable and necessary provisions for the safety and health of its employees during their hours of work. All employees covered by this Agreement shall cooperate in the implementation of all such reasonable and necessary safety and health provisions. It is recognized as being the mutual obligation of the College and the Union to assist in the elimination and prevention of unsafe and unhealthy working conditions and practices, and jointly to assist in the prevention of accidents.
ARTICLE 16 - SENIORITY/LAYOFF

16.1 SENIORITY DEFINED

(a) Seniority shall be defined as an employee's length of continuous service with the College following successful completion of the probationary period served after original hire or rehire. An employee's seniority shall include any credited service with the County granted at the time of hire or rehire on or before August 31, 1991.

(b) For purposes of seniority under this Article, an unpaid leave of absence shall not accrue seniority for any period beyond five (5) consecutive workdays as of the date of this Agreement. Paid sick leave shall continue to accrue full seniority in proportion to the amount of payment received.

(c) Part-time Service: Part-time service shall be credited on the following basis: All schedules of less than 35 hours shall be considered part-time and prorated on the basis of a full-time 35-hour week for credit on the seniority list. All schedules of less than 40 hours shall be considered part-time and prorated on the basis of a full-time 40-hour week for credit on the seniority list.

16.2 SENIORITY LISTING: There shall be two seniority lists encompassing bargaining unit personnel, one for competitive class employees, and one for non-competitive class employees. The Human Resource Office shall provide the local Union secretary with a current seniority listing of all unit employees on an annual basis, which shall include names, date of hire, Social Security account numbers, home addresses, departments, status (competitive/non-competitive) and position titles.

16.3 PROBATIONARY PERIOD:

(a) Employees in the bargaining unit covered by this Agreement shall be considered probationary for the first twenty-six (26) weeks of full-time employment. For the purpose of fulfilling this twenty-six (26) week requirement, part-time service may be prorated in direct proportion to the full-time service for each unit description. Whenever the term "probationary" or "probationary period" is used in this Agreement, the reference shall apply to initial employment or reemployment. Seniority will not be recognized while an employee is serving a probationary period.
(b) The probationary period may be automatically extended by one (1) day for each scheduled workday a probationary employee is absent.

(c) Employees serving their initial probationary period at the time of hire or rehire shall not be eligible for any benefits as provided in this Agreement, unless otherwise expressly stated.

(d) During the probationary period, employees shall not have any seniority rights, and may be dismissed, disciplined or terminated by the College, and any such action by the College shall not be subject to the grievance and arbitration provisions of this Agreement.

(e) Seniority rights shall begin upon successful completion of the probationary period, and shall be retroactive to the date of hire. However, benefits shall, unless otherwise specified, be granted prospectively.

16.4 IMPACT OF ABSENCES ON SENIORITY: Seniority shall not accumulate during the following periods, and the employee's seniority date shall be adjusted by one (1) calendar day for each calendar day of these absences:

(a) Layoff.

(b) Unpaid absence in excess of five (5) consecutive workdays as of the date of this Agreement.

(c) Disciplinary suspension

16.5 TIE BREAKING POLICY: If two or more employees have the same seniority, the more senior will be determined by date and order of appointment. Should this method be unable to resolve the tie, then the employee holding the highest rank on the Civil Service Eligibility List shall receive preference.

16.6 SENIORITY FORFEITURE: All seniority rights shall be forfeited and employment shall be permanently severed for any of the following reasons:

(a) Discharge or dismissal for cause.

(b) Resignation.

(c) Retirement under any retirement benefit plan.

(d) Layoff for more than four (4) consecutive years.

(e) Refusal to accept recall from layoff for a comparable position.
(f) Failure to report to work pursuant to recall from layoff requirements contained in this Agreement.

(g) Failure to return to work on the first day after the expiration of any leave of absence and after an attempt to contact the employee by registered or certified mail (return receipt requested) is made by the employer.

(h) Abandonment, actual or constructive, of employment due to no-call, no-show (AWOL) of five (5) or more consecutive workdays, unless otherwise excused by the College, in writing, because of the existence of an emergency. For the purpose of this provision, an emergency is the existence of any circumstances beyond the employee's control which, even with all due diligence, prevented the employee from contacting the College within the five (5) day period noted above.

16.7 RESIGNATIONS:

(a) All resignations must be submitted in writing and shall specify the employee's last day of work.

(b) It shall be the policy of the College to consider resignations submitted to and approved by the Board of Trustees as binding upon the person resigning.

(c) In the event that the person is applying for reemployment with the College, that person will be classified as a new employee in all respects.

(d) If an employee resigns from employment and is rehired to a permanent position within twelve (12) consecutive calendar months of the effective resignation date, there shall be no break in the employee's College seniority. Seniority shall not accumulate during this period of absence from employment.

16.8 LAYOFF

(a) Competitive Class Employees: All employees occupying competitive positions who are subjected to layoff or recall shall be laid off and recalled according to the Civil Service rules and absent Civil Service rules their position on the seniority list shall apply. Competitive employees who have been laid off shall be given preference over all other bargaining unit members and new applicants for existing, new or vacant positions for which they are qualified and where the laid off employee can assume the duties of the existing, new or vacant positions with minimal training.
In the event of a layoff in which bargaining unit members have the right to displace grant funded bargaining unit members, they will have one week from the receipt of notification (certified return receipt requested), of layoff per Article 16.8 (c) (2) in which to notify the College of their desire to exercise this right. The employee must indicate what positions they wish to bump.

The College will have one week from the receipt of the employee’s notification to notify laid off employees what position they may bump.

(b) **Non-Competitive Class Employees:** All non-competitive employees in the bargaining unit shall be laid off and recalled according to their seniority. Non-competitive employees on the seniority list shall be given preference over new applicants for new or vacant positions (provided they are reachable on the appropriate Civil Service list) on the basis of seniority and will continue with their accrued seniority when a Civil Service appointment is made and probationary period is completed.

(c) **Procedure**

(1) **Federal-State Funding:** In the event a program or project is funded either by federal funds or state funds, or is self-funded, and such funds are eliminated or terminated by the funding agent, there shall be no liability on the part of the employer to continue such programs or projects beyond the funding period. In such case, employees employed under such programs or projects may be eliminated or terminated by the employer without consideration of the layoff and recall procedure except where such action would be in violation of the Civil Service Law.

(2) In the event the College plans to layoff unit employees, the College shall meet with the Union to review such anticipated layoff at least thirty (30) days prior to the date such action is to be taken and the employee to be laid-off will have at least fourteen (14) calendar days' notice of layoff.

(3) When such action takes place it shall be accomplished by laying off temporary (including non-competitive grant personnel), provisional and probationary unit employees first. Should it be necessary to further reduce the work force, then regular employees shall be laid off in the inverse order of seniority as determined by the appropriate seniority list in 16.2 above.

(4) However, if an employee's position is in the competitive class, the layoff procedure shall be in accordance with the Civil Service Law and Rules.
(5) The College shall forward a list of those employees being laid off
to the local Union Secretary on the same date that the notices are
issued to the employees.

16.9 **RECALL:** Recall in each job title shall be in the inverse order of layoff in that
job title. Recall of competitive class employees will be according to law.
ARTICLE 17 - PENSION BENEFITS

17.1 Employees shall be provided with pension benefits as provided by Plan 75-G with Riders 41-J and 60-B. In addition, to the extent provided by law, the College shall provide the 1/60th Plan.
ARTICLE 18 - DEFERRED COMPENSATION PLAN

18.1 Any and all members of this Bargaining Unit may avail themselves of the existing deferred compensation plan currently in effect in Niagara County. Said plan is to be administered by Equil-Comp. Niagara County agrees to make any and all adjustments to payroll to allow participation of bargaining unit members in the available plan.

18.2 Unit members may also participate in the tax sheltered annuity plans available to faculty and administrators.
ARTICLE 19 - PERSONNEL FILES

19.1 Employees will receive copies of any and all derogatory materials which will be entered into an employee's personnel record. Employees shall have the right to respond to any such material, in writing, within ten (10) working days after his/her receipt of such derogatory materials. Such written response will be included in the employee's personnel file.

19.2 Employees shall not be disciplined on any infraction(s) which occurred more than two (2) years prior. However, beyond the two (2) year period, such infraction(s) may be utilized for the purpose of demonstrating a pattern or practice, and/or for determining the appropriate penalty.

19.3 Employees may inspect their personnel files, except for confidential references pertaining to hiring or promotion, upon advance written notice of at least five (5) working days to the College. Inspection must take place under the observation of a college official. Employees may request a copy of any viewable material in the normal and ordinary course of business free of charge.

19.4 All material pertaining to evaluation and/or discipline which is to be placed in the employee's file shall be signed and dated by the employee to indicate that the material was seen by him/her. Such signature does not indicate agreement with the material.
ARTICLE 20 - USE OF STUDENT AND SEASONAL EMPLOYEES

20.1 USAGE: The College retains the right to hire college work-study students, co-op students, student assistants, seasonal workers and to participate in other employment programs to assist the regular educational support personnel in carrying out the necessary support functions of the college including but not limited to: typing, reception, telephone answering and security.

20.2 USE OF STUDENT WORKERS: (Effective May 22, 2002): The College will utilize student workers in accordance with Federal Work Study Guidelines. Student(s) may never be assigned to a position once held by an ESPA member or allowed to function independently of an ESPA member.
ARTICLE 21 – UNIFORMS FOR SECURITY

Campus Security Officers will be required to wear uniforms while on official duty as prescribed by the College. The uniform will be black trousers, white shirt, black tie, black belt, and black walking shoes. The College will pay 100% of the cost of a maximum of 4 uniforms per officer for the duration of this agreement on a reimbursement basis. In addition, the College will provide one winter coat with removable liner during the four (4) year period of this agreement. Care and maintenance of the uniform is the responsibility of the officer. Officers hired after ratification of this agreement will receive a pro-rated number of uniforms based on the number of years remaining in the CBA for 9/1/03 – 8/31/07. Officers leaving employment of the College are required to turn-in the shirts, trousers and coat.
ARTICLE 22 - SUPERSEDURE

21.1 PROPOSALS: The Employer and the Union acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make and submit proposals with respect to any subject or matter not removed by law from the area of collective negotiations.

21.2 RULES AND REGULATIONS: This Agreement shall supersede any rules, regulations, practices or arbitration awards which are contrary or incompatible with its terms.

21.3 CONTRARY TO LAW: If any Article or a part thereof of this Agreement or any addition thereto should be decided as in violation of any Federal or State law or if adherence to or enforcement of any Article or part thereof should be restrained by a court of law, the remaining Articles of the Agreement or any addition thereto shall not be affected. Both parties shall convene immediately to negotiate satisfactory replacement language to any Article found to be contrary to law.

21.4 COMPLETE AGREEMENT: The foregoing constitutes the entire Agreement between the parties and no verbal statement or other agreement in whatever form except an amendment to this Agreement, in writing annexed hereto and specifically designated as an amendment to this Agreement, shall supersede or vary.

21.5 MODIFICATION: This Agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by the signatories to the Agreement.

21.6 LEGISLATIVE ACTION

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.
