PREAMBLE

The Parties to the Agreement, Niagara County Community College and the County of Niagara ("Employer"), and the Niagara County Community College Technical Support Personnel Association, NEA/NY ("Union") in order to effectuate the provisions of the Public Employment Fair Employment Act, and to encourage and increase effective and harmonious work relationships agree as follows:

Included in the bargaining unit are all full-time and regular part-time employees in those positions approved and funded by the Employer (commonly referred to as "permanent" positions). Also included are all full-time and part-time employees, provisional employees and temporary employees (commonly referred to as "substitute") where such employee has been appointed by the Employer for a period of at least 12 consecutive weeks. It is understood that any such appointment may be terminated at will at any time. However, when a grant personnel appointment continues without a break in service after the expiration of the grant as a College operating position, and is funded by the Employer, all service rendered under the grant program shall be converted for seniority purposes and benefit rights under the terms of this Agreement.
1.2 EXCLUSIONS FROM THE BARGAINING UNIT: Excluded from the bargaining unit are all the employees not specifically included above, all summer seasonal, work-study, student assistants and job training employees.

4) **Vacation**: One (1) week per year (40 hours for 40 hour/week employees), subject to the requirements of Article 11 below (specifically 11.2 and 11.3).

5) **Holidays**: One-half pay for each scheduled day pursuant to Article 10 below (4.0 hours for 40 hour/week employees).

6) **Step Increases**: Where applicable, shall occur at a point in time when the employee's total accumulated hours equal one full year. (2,080 hours based upon a 40 hours per week full-time schedule.)
ARTICLE 2 - MANAGEMENT RIGHTS

2.1 The Employer hereby retains and reserves unto itself all rights, powers, authority, duties and responsibilities conferred upon and vested in it by law.

2.2 Except as specifically addressed in this agreement, the Employer retains all rights, privileges, and authority, including but not limited to the exclusive right to direct and schedule the work force, plan, direct and control operations, and to promulgate and enforce rules and regulations as it may deem necessary in the management, direction and administration of all operations and activities of the college.
ARTICLE 3 - UNION RIGHTS

3.1 **DUES DEDUCTION:** The College shall deduct from the pay of each Union member, from whom it has received written authorization on a form to be provided by the Union, such amount for membership dues monthly or as the Union shall supply in writing to the college, and will forward such dues to the treasurer of the Union.

3.2 **AGENCY FEE:** Any present or future employees represented by the Union who are not Union members and who do not make application for membership within thirty (30) days after mutual ratification of this agreement or who do not become members of the Union thirty (30) days after their hiring date, shall have deducted from their wages, an amount equivalent to the total annual membership dues levied by the Union. The college shall make such deductions and transmit the sums so deducted to the Union in the same procedural manner as for membership dues provided, however, the Union has established and maintained a procedure providing for the refund to any employee demanding the return of any part of an agency shop fee deduction as required pursuant to Section 208(b) of the New York State Civil Service Law.

3.3 **SAVE HARMLESS:** The Union shall hold harmless the College and its officials from any claims, suits, or any other forms of liability that may arise as a result of the College's action or inaction pursuant to this Article, except for any negligence by the College, which results in the failure to promptly furnish the Union monies deducted pursuant to this Article.

3.4 **LISTING OF EMPLOYEES:** The College agrees to furnish the Union with an updated report, on a quarterly basis, involving any personnel changes which include names, work locations, and position titles of all employees in the bargaining unit covered by this agreement.

3.5 **USE OF COLLEGE FACILITIES:** The Union is granted the use of college facilities (for example, bulletin boards, meeting rooms, mail boxes) as are necessary for conducting its official business (for example, communication with its members, meetings of its membership and committees). The use is granted, provided that it does not interfere with normal operations of the college and subject to the college's internal assignment of space and bulletin board procedures. The Union agrees that any and all materials posted shall refer only to the professional business of the Union, and further agrees not to post election campaign material for or against any person, organization or faction thereof.
3.6 **LABOR-MANAGEMENT COMMITTEE:** A committee consisting of the president of the College and the president of the Union plus one (1) additional person appointed by each president shall meet as needed to deal with issues not covered by this Agreement. Where appropriate, the College and Union presidents may agree to expand any such session to a committee consisting of an equal number of College and Union representatives. Meetings shall occur at least once each quarter (unless mutually waived) and additional meetings shall be held upon the request of either president.

3.7 **NO STRIKE PLEDGE:**

(a) Pursuant to the provision of Subdivision 3(b) of Section 207 of the Public Employees Fair Employment Law, the Union affirms:

That it does not assert the right to strike against any government, to assist or participate in any such strike or to impose an obligation to conduct, assist or participate in such strike and will not engage in a concerted stoppage of work or slowdown.

(b) Should any strike activity occur which the Union has not called, sanctioned or condoned, the Union must:

(1) advise the College, in writing, that the strike activity was not called or sanctioned by the Union;

(2) notify each employee engaging in the strike activity, in writing, with a copy supplied to the College president, that such activity has not been sanctioned or condoned by the Union;

(3) inform all unit members, in writing, with a copy to the College president, that such strike activity has not been sanctioned or condoned by the Union.

(c) Once the Union has performed the acts required by (b)(1) through (3) above, the union and its officers, agents and non-striking members shall have no further liability.

(d) It is understood and agreed that any strike activity performed by a unit member shall be cause for discharge.

**No Lockout Pledge**

The College shall not lockout any employee covered by this Agreement during the term of this Agreement.
3.8 UNION OFFICER RELEASE TIME: The Union officers shall have a cumulative total of eighty (80) hours per contract year, without pay, to attend Union meetings. Unused time shall not accumulate from year to year. Reasonable notice, usually five working days, must be given to the College in advance of such leave. Such notice shall inform the College which Union officer(s) plan to be absent, on which date(s) and the approximate time involved. In addition, Union officers may use compensatory, personal or vacation time.
ARTICLE 4 - GRIEVANCE PROCEDURE

4.1 STATEMENT OF PURPOSE: Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the College and the employees is essential to the operation of the College, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the College and the employees are afforded adequate opportunity to dispose of their differences without the necessity of time-consuming and costly proceedings before administrative agencies or in the courts. In this regard, every dispute over which a grievance may be filed by members of the bargaining unit or the Union shall be processed under this procedure, and recourse may not be instituted in any other forum.

4.2 REPRESENTATION OF EMPLOYEES:

(a) The Union shall select Grievance Committee members to represent employees covered by this Agreement. The Secretary of the Union shall provide the College/County with a list of Grievance Committee members at the beginning of the contract year.

(b) A total of three Union representatives, any one of which shall be permitted a maximum of one (1) hour per day to investigate and process grievances provided:

(1) notice to and permission from his/her immediate supervisor is given and secured, and

(2) such action does not interfere with the operation of any College department.

Additional time beyond the one (1) hour maximum noted above may be approved by the department head subject to the requirements noted above.

4.3 DEFINITIONS

(a) Grievance: a grievance shall be defined as a complaint by an employee or group of employees in the bargaining unit, or by the Union, that there is an alleged violation, misinterpretation or misapplication of the terms of this agreement.

(b) Grievant: the person, group of persons, or the Union submitting the grievance.
(c) **Grievance Committee**: a duly constituted committee of the Union, composed of not more than three (3) members.

(d) **Department Head or Hearing Officer**: the individual charged with the duty of rendering a decision at a particular stage of this procedure.

(e) **Representative of His/Her Choice**: an individual employee, or representative of the Union or its grievance committee, who shall represent the Grievant.

### 4.4 TIME LIMITS

(a) **When to File**: Grievances may be initiated, in writing, at the first applicable step within twenty-five (25) working days of the occurrence or knowledge of the occurrence. This latter situation shall only apply in those legitimate situations when circumstances beyond the control of the employee (or Union) prevented knowledge of the occurrence. In addition, it is agreed that when the Union becomes the Grievant, a class action grievance shall not be used as a substitute for an individual filing.

(b) **Filing of Grievances**: Grievances shall be filed on a form agreed upon by the parties, and attached hereto as Appendix A. Such grievance shall contain a brief statement of the nature of the grievance, and the specific provision(s) of the Agreement alleged to have been violated. Failure to process a grievance within the time limit noted above shall be deemed waived.

(c) **Filing By a Group of Employees or By the Union**: When a group of employees are affected by the same act or failure to act by the College, or the alleged violation impinges upon the rights of the Union as set forth in this Agreement, the Union may submit a grievance on its own behalf, directly at Step 2, within the time limits set forth in Section 4.4(a) above.

(d) **Proceeding to the Next Step**:

(1) The failure of the department head or hearing officer at any step to communicate his/her decision within the designated time limits shall permit the Grievant to proceed to the next step of the grievance procedure.

(2) The failure of the Grievant to appeal a decision to the next higher step within the designated time limits, as detailed below, shall constitute a withdrawal of the grievance, and shall bar further action.
Grievance Hearings During Working Hours: Where it has been mutually agreed between the Union and the College to hold grievance hearings during working hours, time spent in the presentation of a grievance shall be paid and not charged against any employee's leave time.

Time Extensions Must Be in Writing: All time limits specified in the procedural steps of Section 4.5 below may be extended only upon the mutual consent of the parties, which shall be expressed in writing.

4.5 PROCEDURAL STEPS: All grievances arising out of an alleged violation, misinterpretation or misapplication of the terms of this agreement shall be presented and adjusted in the following manner:

(a) **Step 1:** A Grievant having a grievance shall informally discuss the issue with his/her department lead either directly or through a Union representative. Within twenty (20) working days after the informal discussion is heard, the appropriate department head shall render a decision thereon, in writing, and present it to the Grievant, with a copy to his/her designated union representative.

(b) **Step 2:** If the grievance is not resolved through the efforts at Step 1 above, it shall be presented to the Director of Human Resources in writing either directly or through a Union representative within five (5) working days after receipt of Step 1 decision, or failing a decision within the time provided, no later than five (5) working days after a decision should have been provided. Within ten (10) working days after receipt of the appeal, the Director of Human Resources shall render a decision thereon, in writing, and present it to the Union, with a copy to the Grievant. The Director of Human Resources has the sole right to request the President of the College appoint a hearing officer to hear the grievance and render a decision should circumstances warrant or prevent the Director of Human Resources from objectively rendering a decision.

(c) **Step 3:** The Grievant may appeal the decision rendered at Step 2 above within ten (10) working days after receipt of the decision by submitting a written appeal to the president of the College. Such written appeal shall set forth specifically the nature of the grievance, the facts relating thereto, and the Grievant's reasons for rejection of the decision rendered at the second stage. The president will make every reasonable effort to arrange a hearing within five (5) workdays following his receipt of the Union's Step 3 appeal. The president (or his designee) shall have the right to invite any additional person(s) to participate at the hearing. The president (or his designee) shall then render a decision, in writing, to the Union, within five (5) working days after the conclusion of the hearing.
(d) **Step 4:** In the event there has been no resolution of the grievance regarding the terms of this agreement, the unresolved issues may be submitted by the Union to binding arbitration no later than fifteen (15) days from the written decision at Step 3 above, by filing a demand for binding arbitration with the Public Employment Relations Board. Thereinafter, arbitrator selection and arbitration procedures on this Article shall be conducted pursuant to the rules and regulations of the Public Employment Relations Board.

(e) **Power and Authority of the Arbitrator:** It is understood and agreed that this Agreement constitutes the entire agreement of the parties. Accordingly, the arbitrator shall limit his/her decision strictly to the interpretation or application of the express provision(s) of this Agreement, and shall be without power or authority to make any decision or award:

1. modifying or amending in any way, or inconsistent with the terms of this agreement;
2. which is contrary to law;

(f) All fees and expenses of the arbitrator shall be borne equally by the College and the Union.

4.6 **REMEDY:** The arbitrator shall have the power and authority to decide whether or not the Agreement has been violated, and to issue a make whole award.
ARTICLE 5 - DISCIPLINE/DISCHARGE

5.1 No employee having the benefit of seniority shall be disciplined or discharged without just cause.

5.2 PROCEDURES

(a) Verbal Warnings

(1) When it is necessary to inform an employee that their behavior is unacceptable but that a written warning, suspension, or discharge will not be imposed, the supervisor may issue a verbal warning.

(2) Upon receipt of the verbal warning, the employee may request, within five (5) working days, a meeting with the supervisor to discuss the reasons for the warning and/or seek resolution to the matter to the satisfaction of both parties.

(3) Should the matter not be resolved to the employees satisfaction, he/she may, within ten (10) days of the above meeting, request the matter be reviewed by the supervisor's Dean/Vice President. Upon receipt of such request, the Dean will review the matter with the appropriate individuals and issue a decision, within 10 days, upholding, modifying, or reversing the original action by the supervisor. The employee may have union representation accompany him/her to meetings held to resolve the matter. The decision of the Dean/Vice President is final.

(4) If any notice of a verbal warning is placed in the employee's file, such employee will acknowledge receipt of the notice and will be given the opportunity to attach a written rebuttal. A verbal warning which can lead to disciplinary action will be noted in writing prior to being placed in the unit member's personnel file.

(b) Written Warnings, Suspensions, Discharge

(1) Employees who are disciplined in the form of a written warning, suspension, or discharge shall have the option of seeking review under either the grievance procedure, or, alternatively, Civil Service Law Section 75. Labor class employees are not covered by Section 75 and must use the grievance procedure unless Civil Service rules grant certain labor class employees such right.
When discipline in the form of a written warning, suspension, or discharge is contemplated by the College, the employee involved shall be served with written notice of discipline which details the action(s) giving rise to such charge, together with the disciplinary action intended. Such notice may be served personally, or by certified mail, return receipt requested. However, for extreme behavior or conduct that is so egregious (for example, but not limited to, theft, physical assault, use of controlled substances while on duty, possessing or consuming alcoholic beverages while on duty, and/or drunkenness while on duty) that immediate suspension or dismissal is necessary, employees may be suspended or discharged immediately without written notice of contemplated discipline.

Within ten (10) days of the receipt of any notice of discipline, the parties shall meet informally to try to resolve the issue before formal hearings are held. The employee shall be entitled to a Union representative to accompany him/her to this meeting. If the matter is not resolved, the employee must inform the College of his/her option for review pursuant to 5.2 (b) (1) above.

Where the employee selects review through the grievance/arbitration procedure, it is understood that all rights and procedures specified in Civil Service Law Section 75 are waived, and resort to Section 75 shall be foreclosed.

TIME LIMITATIONS: A notice of discipline may be used for up to two (2) years as a basis for a charge of discipline. After such two (2) year period, the notice of discipline may only be utilized for the purpose of demonstrating a pattern or practice, and/or for determining the appropriate penalty.

REVIEW

(a) Civil Service Law Sections 75: When an employee selects this as a method of review, and so notifies the College of such, the procedures for hearing and appeal contained therein shall apply.

(b) Grievance/Arbitration: When an employee selects this as a method of review, the procedures set forth in Section 5.5 below shall apply.

DISCIPLINARY GRIEVANCES: Employees having seniority shall have the right to file a grievance under this Agreement to protest the absence of just cause for discipline. A grievance over suspension or discharge must be presented at Step 2 of the grievance procedure within no more than ten (10) days after the date the informal meeting pursuant to Section 5.2(c) took place; other disciplinary grievances must be presented at Step 1 of the grievance procedure within twenty (20) days after the written notice of discipline was
received. If a grievance is not filed within the appropriate time period, the disciplinary action shall be deemed for just cause.

5.6 **ARBITRATION OF DISCIPLINARY GRIEVANCES:** Only grievances dealing with suspension, fine or discharge may be arbitrated. All other disciplinary grievances, if unresolved after review pursuant to the pre-arbitration stages of the grievance procedure shall be held in abeyance. Should any issue raised by a notice of discipline later be used by the College in any future suspension or discharge action against the employee, the allegations contained therein will be subject to review by the arbitrator.
ARTICLE 6 - WORK HOURS

6.1 WORKWEEK

(a) The workweek for full-time employees shall be scheduled between Sunday through Saturday and shall consist of 40 hours per week. However, current employees of the College as of September 1, 1991, shall be scheduled between Monday through Friday, unless they agree otherwise. It is understood and agreed that the College may create new positions and/or fill vacancies on a Sunday through Saturday basis.

(b) For employees whose regular work schedule is other than Monday through Friday, the College will provide the affected employee with two (2) consecutive days off unless the employee agrees otherwise.

6.2 WORK HOURS: Within the 40 hours per week noted above, the College may schedule hours during the workweek so that a workday is eight (8) consecutive hours for 40 hour/week employees.

6.3 WORK SCHEDULE

(a) Work schedules for the Fall, Winter, Spring, or Summer shall be provided to employees as soon in advance as possible and posted on the department’s bulletin board. Within the parameters of 6.1 and 6.2 above, schedules may be changed or altered based upon the operational needs of the College, but any such changes shall be kept to a minimum, and such schedule changes shall not be used to avoid the payment of overtime. Reasonable advance notice of not less than one (1) week shall be given for changes in work schedules, except for emergency situations.

(b) The College agrees to speak with employees who may be adversely affected by the changes or alterations in their schedule, and to cooperate with them to the extent feasible (e.g., employees who may have child care difficulties, or who may be caring for ill or disabled immediate family members, etc.).

6.4 LUNCH PERIODS: Management will assign lunch periods to assure appropriate office/job coverage. However, once assigned, employees shall be guaranteed an uninterrupted lunch break, which will only be interrupted in the case of an emergency.

6.5 CALL-IN: Employees who are called in for emergency duty at times beyond their normal working days shall be paid for four (4) hours at the rate of time and one-half the employee’s regular straight-time rate. In addition, employees
shall receive, where applicable, the appropriate shift differential on a straight-time basis where the past practice between the parties has so provided.

6.6 SUMMER HOURS

(a) Summer Schedule: The College reserves the right to convert to a summer schedule. Such schedule shall commence not earlier than the first Monday after graduation and end no later than the Friday preceding Labor day. During the summer schedule employees may request to work a 4 day schedule which will consist of Monday through Thursday with Friday, Saturday, and Sunday off, or Tuesday through Friday with Saturday, Sunday, Monday off. The College President reserves the right to determine the work schedule for unit members. However, where conflicts in scheduling occur, they will be resolved by granting requests for a 4 or 5 day schedule by College seniority.

(b) Employee Options: Employees who request and have approved to work a 4 day schedule will have the following options for completing their 4 day work schedule:

(1) completing their 40 hour work schedule in 4 days working 10 hour days with a 30 minute lunch break, or

(2) working 8 hours per day and receive pay, on an hourly basis, for time actually worked (including approved leave time with full pay) and going off the payroll for the fifth day, or

(3) working 8 hours per day and receive pay, on an hourly basis, for time actually worked (including approved leave time with full pay) and making up lost time through the use of compensatory, personal, and/or vacation time for the fifth day.

(c) Essential Personnel: All members of this bargaining unit shall be considered as essential personnel except the storekeeper. Accordingly, where the College president is satisfied that any of the essential employees are able to complete their tasks and responsibilities on a Monday through Thursday or Tuesday through Friday basis (subject to article 6.6 (a) above), the summer hour schedule shall be offered to the extent feasible to these employees based on College seniority.

(d) Notice

(1) Notice to the Union shall be provided at least sixty (60) days prior to the effective date of any summer hour change, together with the staffing needs and work hours associated with such needs.
(2) Employees shall notify their supervisor, at least four (4) weeks prior to the effective date of the first day of the College's summer hours schedule of which option in Section (b) above each employee selects. Once the option is chosen, it may be changed only with the consent of that employee's supervisor, which shall not unreasonably be denied. However, the supervisor's decision is final and shall not be subject to the grievance and arbitration procedure of this Agreement.

(3) The College shall notify employees of their work schedules as far in advance as possible following receipt of the employee's options, but in any event no later than one (1) week prior to the beginning of the summer schedule. The College shall have the option of changing an employee's work location in order to accommodate its needs.

(e) **Overtime:** Employees electing to work an accelerated schedule on a Monday through Thursday or Tuesday through Friday basis shall be paid overtime only for those hours actually worked beyond forty (40) hours per week.

Where either or both presidents are unable to meet, the meeting shall take place with his/her designee.

Following the first year of the College's summer hours program, the College and the Union shall meet, evaluate the procedures associated with the program, and attempt a joint resolution of any problems which may have occurred. Where mutual agreement is not possible, the College president shall retain final authority regarding any and all procedural changes, which may include but is not limited to the decision to continue or cancel any further summer hours program. However, changes in terms and conditions of employment as defined by the Taylor Law require Union approval.

6.7 **TEN MONTH EMPLOYMENT**

(a) The College shall have the option of creating ten-month position(s). Such position shall normally be scheduled to encompass the period from ten (10) workdays before Labor Day to (10) workdays following graduation.
(b) Implementation

(1) **Procedure:** Once the College designates ten (10) month position(s), within any department it shall post notice of such position(s) on the Human Resources' bulletin board and simultaneously send a copy of such notice to the Union president. Following the procedure outlined in such notice, employees may voluntarily elect to convert to a ten (10) month schedule.

(2) **Return to Normal Position:** Twelve (12) month employees who may be affected by the College's conversion of any department (or portion thereof) to a ten month operation, shall be transferred to any other College department, based upon need, for the remaining two (2) months. Following such period, such employee(s) shall be returned to his/her normal position.

(c) **New Hires/New Positions:**

(1) The College reserves the right to create new ten (10) month positions in their own right, or as a replacement for a twelve (12) month position where the incumbent in such position has resigned, retired, transferred from or otherwise left such position.

essential ten-month employees affected thereby shall be paid at their regular rate of pay for the duration of such recess period(s).

(6) Credit in the New York State Employees Retirement System up to a maximum of ten (10) months.

Should the above list fail to include any benefit which the Union feels that ten (10) month employees are entitled to, the Union president shall bring same to the attention of the College president. It shall be left to the two presidents to resolve any such issue.

6.8 SHIFT DIFFERENTIAL: The normal working hours for the College shall be 8:00 a.m. to 8:00 p.m. For current employees on the payroll as of August 31, 1991, such employees who are regularly scheduled to work a shift commencing after the normal 9:00 a.m. to 5:00 p.m. shift time shall receive an additional 45 cents per hour for all hours worked after 3:00 p.m. Where such employees are regularly scheduled to work a shift commencing at 11:00 p.m. or later, they shall receive an additional 50 cents per hour for all hours worked after 11:00 p.m. New employees may be assigned at any times within the 8:00 a.m. to 8:00 p.m. parameter without payment of any additional stipend. However, any new employee scheduled outside of this 8:00 a.m. to 8:00 p.m. parameter shall be paid an additional amount of 45 cents per hour for all time between 8:00 p.m. and 11:00 p.m., and 50 cents per hour for all time after 11:00 p.m. The amount of the shift differential authorized by this article is effective on the date the TSPA ratifies the bargaining agreement for the period September 1, 1998 through August 31, 2004 or the date the College receives final approval of the bargaining agreement for the period September 1, 1998 through August 31, 2004 from the Niagara County Legislature, as evidenced by the date which the Chairman of the Legislature signs the approval document, whichever occurs later.

6.9 TRANSFERS

(a) Intra-College (Competitive and Non-Competitive): Authorization for intra-college reassignments to a posted vacancy may be requested through the appropriate Dean and such authorization will not be unreasonably withheld. Intra-college transfers may be initiated by the appropriate Dean.

(b) Involuntary Transfers: Transfers in which the College retains the unfettered right to transfer employees. No such transfer shall be used for disciplinary purposes. Employees may request, in writing, a reason for any such transfer where there is a perceived hardship (financial or physical).
6.10  **Job Posting**

(a) Whenever an opportunity for a promotion occurs or a job opening occurs in other than a temporary situation in any existing job classifications or as the result of the development or establishment of a new job classification, a notice of such opening shall be posted on the department's bulletin board, stating the job classification, rate of pay and nature of the job requirements in order to qualify. Such posting shall be for a period of ten (10) working days.

Such notices shall be prepared by the department head and it shall be the responsibility of the department head to post such vacancy on the bulletin board in his department.

(b) Promotional opportunities shall be posted college-wide. The College reserves the right to select from among applicants for any position the most qualified employee for the job. However, due regard will be given to seniority.

(c) In case of a competitive position, within the bargaining unit, permanent appointment may be made in accordance with Civil Service Rules and Laws, except that should no list of eligible applicants be in existence, then a temporary appointment may be made in accordance with Subsection (b) of this Article.

6.11  **Shift Preferences**

Shift preferences will be granted on the basis of seniority within the same job classification.

6.12  **Volunteer Firemen**

Unit members who are volunteer firemen who are called by their respective volunteer fire company to respond to an emergency during duty hours may be excused from their job duties provided there is not an urgent need at the College as determined by the supervisor. Unit members who are excused from their duties under this provision may use any accumulated leave time, except sick, which has been credited to their record.

6.13  **Cleaner's Job Description**

In general, the tasks performed by Cleaners will be in accordance with the most recent Civil Service job description. It is understood that recycling will not become part of a Cleaners daily, routine assignment. It is also agreed that item numbers 9 and 10 in the Civil Service job description for Cleaners, dated
3/10/2000, are not part of the duties that will be performed by Cleaners at NCCC. Should the Civil Service job description be revised, it is agreed that the College will review the new job description with the TSPA in order to agree to any task that may not be applicable to Cleaners at NCCC. (See Appendix D for Civil Service job description for Cleaners dated 3/10/2000).
ARTICLE 7 - COLLEGE CLOSING

7.1 SNOW OR HEALTH/SAFETY RELATED EMERGENCY CLOSING PROCEDURES

When the College is officially closed due to inclement weather or other health/safety related emergency situations, the following procedures shall apply:

(a) **Unit Essential Personnel**: These employees shall report to work unless specifically directed not to work by the College President or his/her designee. When directed not to work, an employee shall receive his/her regular salary for time not worked. Should any member of this bargaining unit work during all or any portion of a college closing for inclement weather or health/safety related emergency closing situation, he/she will receive the equivalent of double time for time worked as follows:

(1) pay, on a straight time basis, for all time worked plus compensatory time equivalent to all time worked, subject to the limitations of Article 12.9 (b), or

(2) pay, at the rate of double time, for all time worked.

(b) **Other Unit Employees**: These employees will not work during college closings for inclement weather or health/safety related emergency situations, unless directed to do so by the College President or his/her designee. When these employees do not work, they shall be paid their regular salary for time not worked.

(c) It is understood that the President of the College has the sole right to determine which bargaining unit personnel and how many will work during college closings for inclement weather or health/safety related emergency situations. When not all essential unit personnel are required to work, the determination of who will work will be based on the fewest number of overtime hours credited to those who are assigned to the same shift and from among those who hold job titles that have been grouped for overtime purposes i.e., Groundskeepers, building maintenance person I, building maintenance person II, custodian and head cleaner/cleaner. It is also understood that the President is not required to have bargaining unit personnel from each group work.

7.2 **EMPLOYEE CALL-IN**: Employees who are called into work shall receive a call-in guarantee of four (4) hours pay at the applicable straight time or overtime rate. If employees work beyond the call-in time set forth herein, the employees shall continue to be paid for all such hours or part thereof worked at a straight time or overtime rate, whichever is applicable.
7.3 Notwithstanding Article 6.8 for the purpose of this article, a day shall be defined as 12:01 o’clock A.M. through twelve o’clock A.M. (midnight). If the College is forced to close after 7:00 A.M., employees working between that time and 12:00 A.M. midnight shall benefit from Section 7.1 above. If the College is forced to close before 7:00 A.M., employees working between 12:01 A.M. and the announced closing shall benefit from Section 7.1 above.

7.4 College Shutdown Other Than Snow or Health/Safety Related Emergency Situations:

(a) The President of the College has the sole right and option to implement a total shutdown of the College for a period of time deemed necessary and there is no implied right of any shutdown period under the terms and conditions of this bargaining agreement.

(b) If the President exercises his/her option to implement a shutdown period, he/she must determine the number of essential personnel in accordance with paragraph c below, as defined in Article 6.6 (c) that would be desired to work.

(c) A minimum of 60% (or 11, whichever is greater) of the unit members designated as essential personnel shall be permitted to work during the shutdown period. The 60% shall be divided equitably by department, which are currently Maintenance, Grounds, Custodians and Cleaners. (An example would be Maintenance 6 members x 60% = 4 members). Normal rounding rules will be followed to determine this number (i.e. a fraction of 50% or greater rounds up to the next whole number). If less than 60% of the essential personnel request to work, the College is not obligated to meet the 60% minimum.

(d) During the last full week of October for the winter recess and the last full week in February for the spring, the College will ask and schedule all essential personnel from within each department as described in (c) above, beginning with the member who has the most overall seniority, for the opportunity to work the upcoming recess period. The College will continue this process until the desired number of people from each department have been chosen. Should less than 60% of the department want to work, the College shall allow more than 60% from another department the opportunity to work until 11 unit members are designated. After having followed this procedure, if fewer than 60% or 11 unit members do not desire to work and the College feels that it can do the necessary work with fewer unit members, the College may schedule fewer than 60% of the designated employees.

(e) For the purpose of this article, Head Cleaner and Cleaners are considered to be the same job classification.
(f) College seniority will be used to resolve conflicts in determining who will work.

(g) Essential employees who work during a shutdown period will receive the equivalent of double time for time worked as provided in Article 7.1 (a) (1) and (2) above. If a unit member does not request to work, he/she will be paid their regular rate of pay.

Employees must utilize all accumulated sick and vacation leave credits before they are entitled to the sick leave extension benefit. Requests for a sick leave extension
must be accompanied by a document prepared by a physician of the employee's choice which certifies as to the employee's disability. A doctor's statement will be required at the completion of each thirty (30) day period which certifies as to the employee's continued disability.

Failure to give such notice on time may be deemed to be a voluntary resignation by the employee, which the college is entitled to accept, effective as of the last day of the leave.

9.8 **FAILURE TO RETURN:** If the employee fails to resume active employment by the end of the granted leave period, the employee will be considered as having voluntarily resigned. The effect of any such resignation shall include permanent severance of employment with the college for all purposes under the law. (a) notifies his/her immediate supervisor as soon as possible following the emergency;

(b) provides any documentation which may be requested by the supervisor; and

(c) the College President, or his designee, determines that the documentation submitted suffices.

ARTICLE 12 - COMPENSATION PLAN

12.1 PROMOTIONS: When employees are promoted to a position in a higher pay group, the employees shall be placed on Step One (1) of the new pay group. If Step One (1) of the new pay group does not provide a minimum increase in the hourly rate of the employees of fifty cents ($ .50) per hour, the employees shall be placed on the step in the new pay group which provides such employees with an increase in their hourly rate of at least fifty cents ($ .50) per hour. The increase in the minimum amount of an increase upon promotion authorized by this article is effective on the date the TSPA ratifies the bargaining agreement for the period September 1, 1998 through August 31, 2004 or the date the College receives final approval of the bargaining agreement for the period September 1, 1998 through August 31, 2004 from the Niagara County Legislature, as evidenced by the date which the Chairman of the Legislature signs the approval document, whichever occurs later.

The College will post notices of vacancies or new positions, when they occur, on the College’s bulletin board. This posting is for information only and in no way obligates the College to fill such vacancy and does not in any way relate to or affect the posting procedures under Civil Service Law.

When such vacancies are announced as provided herein, employees who wish to be considered for appointment or transfer to such vacancies shall be allowed to request such a transfer provided, however, that such request must be filed with the appointing authority within ten (10) days following announcement of the vacancy.

Movement shall be on the employee’s anniversary date.

(d) Advancement to all steps of any salary schedule shall be governed by Section 12.4.

(e) Salary schedules reflecting the foregoing, together with agreed upon rate increases, are attached hereto as:
12.4 **STEP INCREASES:** A new employee appointed to a position in a class shall be paid the minimum rate of pay for the class. Step increases in salary are not mandatory, but each employee shall be entitled to one (1) step increase up to the maximum for the position, provided that the step is recommended by the department head and forwarded to the College President for approval. Such advancement on the salary schedule shall be September 1 of each year. Employees appointed prior to the 1st of March shall be eligible to receive a step increase on the following September 1st. All others must spend a full academic year in service before being eligible for the first step increase. Thereafter employees shall be eligible for a step increase September 1 of each year. An employee on leave of absence without pay may be considered for a step increase, providing he/she worked a minimum of six (6) months in the academic year. An employee who has received a promotion, or who has been upgraded to a higher job group, may be given consideration for a step increase in salary as of September 1st following the promotion or upgrade.

12.5 **STEP INCREASES OF PROVISIONAL OR TEMPORARY APPOINTEES:** Step increases of provisional or temporary appointees shall be carried over when such appointees are given permanent appointment from an eligible list in the same position.

12.6 **JOB PARITY (Temporary Work Assignment):** An employee requested by the department head or his/her immediate supervisor to work in a job or position which calls for a higher job group or job class for a period of ten (10) days in a year, then, on the eleventh (11th) day and thereafter, the said employee shall receive the higher rate of pay called for in that job or the various jobs while worked and being filled by that employee. The ten (10) days need not be consecutive, but are cumulative during the course of the calendar year. The department head will keep a record of such work which shall be open to inspection by the employees.

If an employee is temporarily appointed to any of the following job classifications, the employee so appointed shall receive the minimum hourly rate of pay for that classification (Step 1) or shall be paid at the appropriate hourly rate (Step) which provides a minimum rate increase of at least thirty cents (30¢) per hour:

- Maintenance III
- Groundskeeper III
- Head Cleaner
12.7 **ALLOCATION DOWNWARD:** When employees are reallocated to a lower class position as a result of layoff, recall, voluntary or involuntary demotion, they shall be permitted to continue at their present rate of pay during the period of incumbency (except in event of general service-wide reductions), but shall not be entitled to salary increases.

12.8 **RESIGNATIONS AND REINSTATEMENTS:** Full-time employees who have resigned from their position may be reinstated within one (1) year from the date of such resignation to the position from which they resigned if then vacant, or to any vacant position to which they are eligible for transfer or reassignment. Full-time employees so reinstated shall be paid the salary for the position to which they were reinstated and re-credited with benefits from their previous hire date. Reinstated employees shall not be entitled to any retroactive pay increase or benefits which occurred when they were in a resigned status. It is understood and agreed that reinstatement shall be at the sole discretion of the Employer, whose decision shall not be subject to the grievance procedures herein.

12.9 **OVERTIME/COMPENSATORY TIME:** Except as provided in Section 6.6 above, employees shall be compensated at the rate of time and one-half (1-1/2) the hourly rate for time actually worked beyond eight (8) hours in any day or forty (40) hours in any week. The department will extend every effort to distribute overtime as equitably as possible and will post records monthly concerning overtime worked.

(a) Work beyond eight (8) hours in any day or forty (40) hours per week will be paid at the rate of time and one-half the employee's regular hourly rate for all time worked, or, at the employee's option, the equivalent compensatory time.

(b) Employees electing compensatory time in lieu of pay may accumulate a maximum of 120 hours. Employees who, as of September 1, 1991, have accumulated greater than the maximum noted herein shall be grandfathered to the extent of their accumulation only. Such employees may not accumulate any further compensatory time until their levels fall below the respective maximum noted.

(c) The College shall make every effort to pay employees who perform an overtime assignment for such work at the rate of pay set forth in this Section on the first pay day following the payroll period in which they worked the overtime. If the College does not pay the employees on the first pay day, the College, without fail, shall pay the employees on the second pay day following the payroll period in which the overtime was worked.
(d) (1) Employees may refuse overtime as long as said refusal does not work a hardship on the department concerned as determined by the department head. If employees refuse the overtime, the hours refused shall be charged as time worked, for the purpose of overtime equalization. Such refusal will be charged at the time the unit member is asked to work and refuses the overtime.

(2) The number of hours that will be charged is either:

(a) the time actually worked by the individual who accepts the overtime assignment, or

(b) if a call-in, a minimum of four (4) hours or the actual number of hours worked if greater than four (4).

(3) In the event that the scheduled overtime for which the refusal is charged is cancelled, the refusal will be deleted. However, such deletion will not alter the assignment of any other already scheduled overtime.

(e) **Advance Notice of Overtime Work:** Where scheduling permits and overtime work is contemplated, employees shall be given at least one (1) week notice of such. Unanticipated overtime resulting from absent employees or other emergency situations shall not require advance notice.

(f) Each contract year, the overtime distribution will begin anew on the basis of seniority. Employees who have not yet been called at the end of the previous contract year shall have their names placed at the top of the overtime list. The order of employees on this list shall not change except for new employees, retirees, resignations, etc.

(g) **Assignment of Overtime**

(1) **Generally:** On each occasion when overtime is necessary, the opportunity to work such overtime shall be offered to the qualified employee within a department who has the least number of overtime hours to his credit at that time. Should the employee refuse the assignment, the qualified employee with the next fewest number of overtime hours to his credit will be offered the assignment. This procedure shall be followed until the required employees have been selected for overtime work. If an employee refused overtime when asked, he shall be credited with the hours actually worked followed by the notation "R" or "Refused" provided he is not on vacation, sick leave, or any excusable leave. Employees coming into a department by virtue of transfer, bid or new position shall be placed at the end of the
overtime list and credited with the maximum number of overtime hours worked by the department.

(2) In Unforeseen or Emergency Circumstances: Where an unforeseen circumstance or emergency condition arises which creates the need for overtime, the College will first offer such overtime need to existing, qualified personnel still on duty at the time the need arises. Where such employee is no longer on duty and time is of the essence, and the College is aware that other unit personnel with fewer overtime hours are on campus, available and qualified, the College must offer the overtime opportunity to that employee. Employees who refuse such overtime opportunity shall be charged. Where no qualified unit personnel are on campus, the College must utilize the overtime list procedure.

(3) Custodians and Groundskeeper-Buildings Personnel will have priority over Cleaners when assigning overtime for scheduled events and emergency clean-up. Cleaners may be utilized during these scheduled overtime assignments to clean and perform set-ups as required.

(4) Cleaners may perform overtime to perform tasks related to their assigned duties when such overtime immediately precedes or follows their regularly assigned shift and is less than four (4) hours in duration.

(h) Compensatory time may be used in no less than 1/4 hour (15 minute) intervals.

Every effort will be made to pay the second and third shifts a day previous to the first shift employees.

12.11 PAY RATES: All rates prescribed in the scales of pay are the standard rates of pay authorized for full-time employment. When employment is on a part-time basis, employees shall be paid for all time actually worked.

19.3 Student workers will be assigned to members of the TSPA to assist the regular technical support personnel in carrying out the necessary support functions of the College as outlined in this article.

19.4 Should no member of the TSPA want to be assigned a student worker, the student may perform the duties assigned under the supervision of the Director of Facilities or designee. A student worker, under these circumstances, may be authorized by management to sign for keys and/or a pager/radio through Security.

19.5 In the event a student worker is assigned a task(s) that is objectionable to the TSPA, the TSPA will bring the objection to the attention of the Director of Facilities for resolution.

19.6 The work hours assigned to a student worker must coincide with the hours of those of the employee(s) being assigned a student worker.

19.7 The number of student workers at any given time cannot exceed six (6) with a maximum of 4 assigned to any one area within the Facilities Department, i.e. grounds, custodians, and maintenance.

19.8 Student workers who are assigned by the Department of Facilities to do painting can be assigned to the custodian responsible for the building in which the painting is to be done. If that custodian is not available or refuses to accept the responsibility of a student worker, then a custodian from a nearby building will be offered the opportunity to be assigned the student worker.

(a) The custodian who accepts the assigned student worker will take the student to the area being painted with the proper equipment and supplies in order for him/her to start the assigned task.

(b) The custodian will check on the student worker at least twice a day to observe the student workers progress on the assigned task. It is understood that management will also check on the student worker.
(c) The custodian assigned the student worker will carry a radio and have it turned on at all times.
