## Memorandum to Presidents

---

Date: March 1, 1988

Vol. 88 No. 2

From: Office of the Chancellor

Subject: Official Listing of Campuses

To: Presidents, State University of New York

The attached list is now the form in which the names of the campuses will appear in all official publications of the University. It supersedes the list distributed with Memorandum to Presidents, Vol. 80, No. 1, of February 11, 1980. This revised list reflects recent actions of the Board of Trustees in changing the names of two of the Health Science Centers and the former Agricultural and Technical Colleges.

Whenever it is necessary to identify all of the individual institutions that constitute the State University of New York, this list should be used.

It is not our intention to require that existing or future statistical or programmatic information necessarily follow the format of the list. In such cases, administrative judgment should be exercised as to the most appropriate form for such information.

Thank you for your cooperation.

Jerome B. Komisar  
Acting Chancellor
