**NOTE:** Prior to 2003-04, state-operated required fees were obtained directly from the campuses. Starting in 2003-04, they were obtained from the System Administration Finance Office.

<sup>1</sup> Due to differences in how student charges are determined, the statutory colleges (Cornell and Ceramics) are excluded from the averages.

<sup>2</sup> State-operated institutions charge a \$25 college fee. Statutory colleges and community colleges do not charge this fee.
