Notes:

- (1) Buffalo reported a range for room and board charges. The minimum is reported here.
- (2) Brooklyn and Syracuse do not provide meal plans for students. The amounts shown reflect the allowances contained within a student budget for meals for dormitory residents.
- (3) Although Empire College runs on a 12 month basis, the expenses shown are for a 9/10 month academic year to make the data comparable with the other institutions.

In 2004-2005, several campuses submitted corrections to historical data or provided previously missing data. As a result, the averages may not match those provided in the past.
