

Welcome to SUNY

WHICH SUNY ARE YOU?

The State University of New York offers...

- **The campus location you're looking for...** from NYC to Plattsburgh, from Albany to Buffalo.
- **The academic program you want...** from accounting to zoology.
- **The quality faculty you deserve...** Fulbright scholars, Pulitzer Prize winners, and Nobel Prize recipients are among the many SUNY faculty who care about your academic and personal success.
- **The right size campus for you...** small to large, cities to suburbs.
- **Opportunities for your success...** from leadership and honors programs to athletics and study abroad. SUNY prepares students for a variety of outcomes including graduate school and rewarding careers.

There's a
SUNY for that!

WHY SUNY?

As you consider and compare SUNY with other colleges and universities you'll find:

SUNY offers rigorous academic programs taught by world-class faculty, who along with their students, pursue and enjoy challenge. Independent study, research, honors programs, and study abroad are all popular ways to enhance the undergraduate experience.

SUNY campuses are extraordinary. Significant investments have been and continue to be made to build new facilities to support academic and student life and upgrade existing buildings.

A SUNY education is a tremendous value. Quality programs and experiences combined with affordability creates opportunities and new options for many students.
