EDUCATIONAL OPPORTUNITY PROGRAM (EOP) APPLICANTS

NEW YORK STATE RESIDENTS ONLY

Program Description

The State University of New York's Educational Opportunity Program provides access, academic support, and financial aid to students who show promise for mastering college-level work, but who may otherwise not be admitted. Offered primarily to full-time students who are New York State residents, the Educational Opportunity Program accepts students who qualify, academically and economically, for the program.

Program Eligibility

To be eligible for admission to the Educational Opportunity Program, a student must be a New York State resident for 12 months prior to enrollment; ineligible for admission under traditional standards, but demonstrate potential for completing a college program; and in need of financial assistance within established income guidelines (see below). In selecting students for the program, priority is given to applicants from historically disadvantaged backgrounds.

Financial Eligibility

The table below lists financial guidelines for Educational Opportunity Program eligibility during the 2010-11 academic year. In order to be determined economically disadvantaged, a student's household income must not exceed the amount shown for its size in the applicable category or the student's circumstances must conform to one of the exceptions indicated.

Fee Waiver

Students submitting an application for EOP consideration may qualify for an application fee waiver. If a student does not meet both the academic and economic guidelines or

the campus to which the student is applying does not operate an Educational Opportunity Program, the student will be billed for the fee. **NOTE: Applicants who are deemed ineligible for EOP may still qualify for admission and financial aid through other admissions processes.**

Support Services

Educational Opportunity Program students may receive support services, such as academic, career, and personal counseling; tutoring and supplemental instruction. As part of a student's overall financial aid package, the Educational Opportunity Program provides financial assistance for non-tuition related expenses (e.g., books, supplies, etc.)

Campus Participation

Most SUNY campuses offer EOP programs. The following campuses **do not** operate an Educational Opportunity Program: Adirondack, Cayuga County, Clinton, Columbia-Greene, Corning, Herkimer County, Jamestown, Jefferson, Mohawk Valley, Nassau, Niagara County, Orange County, Rockland, Sullivan County and Tompkins Cortland Community Colleges.

Transfer Option

To be eligible for the program as a transfer, a student must have been enrolled in the Educational Opportunity Program, College Discovery, HEOP (Higher Education Opportunity Program), SEEK (Search for Education, Elevation and Knowledge) or a similar program at his/her previous college. If the previous college did not have EOP or a similar program, the student may be considered for transfer eligibility and should notify the college to which he/she is transferring.
