

Professional Development Forum 2007 (PDF 07)
SUNY OSWEGO Hewitt Union
9:30 - 4:00 April 27, 2007

Welcome to a day of sharing Experience, Experiments and Expertise on faculty development across the SUNY system.

PDF 07 offers a chance for reflecting on your program's successes, hearing about faculty development work on the other SUNY campuses, and networking with PDF colleagues. By the end of the meeting we hope to have generated a SUNY-wide faculty development events calendar and a plan to share expertise and experience across campuses in concrete ways throughout the year.

This meeting follows up on the gathering of Faculty Development personnel at Westchester in April of 2006.
