University Board of Trustees Resolution, 75-231 adopted September 24, 1975.

History

By Chapter 587 of the Laws of 1975, New York State extended the membership of Boards of Trustees and College Councils in the State University of New York to students. An elected student was to be added to each group as a non-voting member. The election of the student member was to follow rules and regulations established by the representative campus student association on each campus in accordance with guidelines established by the Board of Trustees of the University.

The Board established those guidelines on September 24, 1975, in a resolution containing what was to become Parts 312 and 604.4 of the New York State Rules and Regulations. Because of the need to begin the process of implementation of Chapter 587 of the Laws of 1975, this information was communicated to the state operated and community college campuses in a memorandum to presidents on September 12, 1975, from the office of the University counsel and vice chancellor for legal affairs.

Because two opinions by the Attorney General of the State of New York (1975 Op. Atty. Gen., November 25 and 1976 Op. Atty. Gen., June 14) reduced the parliamentary abilities of the student members and indicated that they were not in fact Public Officers, the Legislature enacted Chapter 164 of the Laws of 1977. This statute made student members of Councils and Boards subject to the Public Officers Laws or General Municipal Laws and granted them parliamentary powers of moving or seconding motions and of placing items on the agendas of the bodies. This was communicated campuses in a memorandum to presidents on July 22, 1977, from the office of the University counsel and vice chancellor for legal affairs.

Chapter 406 of the Laws of 1979 granted voting privileges to the student members of College Councils. This was communicated in a memorandum to presidents on August 27, 1979, from the office of the University counsel and vice chancellor for legal affairs.

Chapter 98 of the Laws of 1986 granted voting privileges to the student member of the Board of Trustees of the College of Environmental Science and Forestry.
