Background

The New York Charter Schools Act of 1998 permits the Board of Trustees to renew the charters of education corporations it has authorized and to renew such corporations’ authority to operate charters. Pursuant to Resolution No. 2012-

038, dated June 12, 2012, the Board of Trustees delegated authority to renew charters to the Charter Schools Committee.

Pursuant to the *Policies for the Renewal of Not-for-Profit Charter School Education Corporations and Charter Schools Authorized by the Board of Trustees of the State University of New York* (the “SUNY Renewal Policies”) (last amended September 4, 2013, and available at: <https://www.newyorkcharters.org/wp-content/uploads/SUNY-Renewal-Policies.pdf>), the Institute generally conducts a renewal site visit; reviews the information in the renewal application as well as other relevant information such as assessment data and site visit reports; interviews education corporation trustees and staff; and produces a draft renewal report containing its findings and preliminary recommendation. The draft renewal report also contains an evaluation of the performance of an education corporation’s charter over the charter term based on the criteria provided in the renewal benchmarks described in the SUNY Renewal Policies. The education corporation receives a copy of the draft renewal report and is given an opportunity to comment on it before it is finalized. The Institute makes final renewal reports available in its Albany office and at: <http://www.suny.edu/about/leadership/board-of-trustees/meetings/meetingNotices.cfm>. Copies of applications for charter renewal are on file in the Albany office of the Institute.

As set forth in the Institute’s Renewal Report, which was distributed to the Board of Trustees, for Brooklyn Prospect Charter School – CSD 13, Brooklyn Prospect Charter School – CSD 13.2, Brooklyn Prospect Charter School – CSD 15, and Brooklyn Prospect Charter School – CSD 15.2; which are operated by Brooklyn Prospect Charter School, the Institute conducted a renewal review of the Schools pursuant to the SUNY Renewal Policies. As a result of this review, the Institute recommends the Education Corporation’s application for charter renewal and to extend its authority to operate the Schools be granted for full terms of five years with conditions.

For the charters and education corporation listed above, the Institute properly notified the school district in which the Schools are located regarding the receipt of applications for charter renewal and renewal of authority to operate the Schools. As of March 31, 2026, no comments were received.
