

MEMORANDUM

April 7, 2026

To: Members of the Charter Schools Committee

From: Joseph W. Belluck, Chair, Charter Schools Committee

Subject: Approval of the Application for Charter Renewal of Earl Monroe New Renaissance Basketball Charter School

Action Requested

The proposed resolution authorizes the approval of a three-year, short-term charter renewal with conditions for Earl Monroe New Renaissance Basketball Charter School pursuant to New York Education Law § 2851(4).

Resolution

I recommend that the Charter Schools Committee adopt the following resolution:

Whereas the Charter Schools Committee, acting on behalf of the Board of Trustees, as required by Subdivision 2851(4)(e), has considered, prior to approval of the application for charter renewal of Earl Monroe New Renaissance Basketball Charter School (the “Education Corporation”), the means by which the Education Corporation will meet or exceed the enrollment and retention targets of students with disabilities, English language learners, and students who are eligible applicants for the federal Free and Reduced Price Lunch program as set forth in the application, which targets were prescribed by the State University of New York Charter Schools Institute (the “Institute”) on behalf of the Board of Trustees; now, therefore, be it

Resolved the Education Corporation’s application for charter renewal be and hereby is approved for a short term of three years through and including July 31, 2029 subject to the following condition:

- By July 1, 2026, the education corporation must provide a Corrective Action Plan, to be approved by the Institute, to come into compliance with teacher certification requirements under the New York Charter Schools Act of 1998 (the “Act”) inclusive of methods to assist uncertified teachers in obtaining certification, an identified system of monitoring certification status, and administrative or monetary supports offered to teachers. The education corporation must demonstrate significant improvement regarding compliance with teacher certification requirements in accordance with the Act by the conclusion of the education corporation’s next proposed renewal term.

and, be it further

Resolved that, upon a review of the Education Corporation’s application for renewal of its charter and its authority to operate its school, the Committee finds that the Education Corporation has sufficiently demonstrated that renewal should be granted, as limited and restricted, based on the criteria laid out in Education Law § 2852(2); and, be it further

Resolved the Institute, on behalf of the Board of Trustees, be, and hereby is, directed to: 1) enter into a proposed renewal charter with the Education Corporation in accordance with this resolution, which shall include such assurances and terms as the Institute shall deem necessary and appropriate; and, 2) thereafter, submit the proposed renewal charter to the New York State Board of Regents for review, comment, and potential approval.

Background

The New York Charter Schools Act of 1998 permits the Board of Trustees to renew the charters of education corporations it has authorized and to renew such corporations’ authority to operate charters. Pursuant to Resolution No. 2012-038, dated June 12, 2012, the Board of Trustees delegated authority to renew charters to the Charter Schools Committee.

Pursuant to the *Policies for the Renewal of Not-for-Profit Charter School Education Corporations and Charter Schools Authorized by the Board of Trustees of the State University of New York* (the “SUNY Renewal Policies”) (last amended September 4, 2013 and available at: <https://www.newyorkcharters.org/>

[wp-content/uploads/SUNY-Renewal-Policies.pdf](#)), the Institute generally conducts a renewal site visit; reviews the information in the renewal application as well as other relevant information such as assessment data and site visit reports; interviews education corporation trustees and staff; and produces a draft renewal report containing its findings and preliminary recommendation. The draft renewal report also contains an evaluation of the performance of an education corporation's charter over the charter term based on the criteria provided in the renewal benchmarks described in the SUNY Renewal Policies. The education corporation receives a copy of the draft renewal report and is given an opportunity to comment on it before it is finalized. The Institute makes final renewal reports available in its Albany office and at: <http://www.suny.edu/about/leadership/board-of-trustees/meetings/meetingNotices.cfm>. Copies of applications for charter renewal are on file in the Albany office of the Institute.

As set forth in the Institute's Renewal Report for Earl Monroe New Renaissance Basketball Charter School distributed to the Board of Trustees, the Institute conducted a renewal review of the Education Corporation pursuant to the SUNY Renewal Policies. As a result of this review, the Institute recommends the Education Corporation's application for charter renewal be granted for a short term of three years with conditions. If this resolution is approved, the Education Corporation's charter will be renewed through July 31, 2029.

For the education corporation listed above, the Institute properly notified the school district in which the education corporation's school is located regarding the receipt of an application for charter renewal. As of March 31, 2026 no district comments were received.
