

## MEMORANDUM

**June 15, 2021**

**To: Members of the Charter Schools Committee**

**From: Joseph W. Belluck, Chair, Charter Schools Committee**

**Subject: Approval of Revision to the Charter of International Leadership Charter High School (Bronx)**

### Action Requested

The proposed resolution authorizes a charter revision, pursuant to New York Education Law § 2852(7), for International Leadership Charter High School, to add a new middle school program. International Leadership Charter High School, which currently serves 9<sup>th</sup> through 12<sup>th</sup> grade, would expand to operate a middle school program commencing with 6<sup>th</sup> grade in the 2022/23 school year, the third year of its charter term.

### Resolution

I recommend that the Charter Schools Committee adopt the following resolution:

Whereas International Leadership Charter High School (the “Education Corporation”), which is chartered to serve 420 students in 9<sup>th</sup> through 12<sup>th</sup> grade, desires to revise its charter to add a 6<sup>th</sup> through 8<sup>th</sup> grade middle school program to serve approximately 680 students in 6<sup>th</sup> through 12<sup>th</sup> grades by the 2024/25 school year, the final year of the Education Corporation’s charter term (the “Proposed Change in Program”); now, therefore, be it

Resolved that the Proposed Change in Program be, and hereby is, approved; and, be it further

Resolved that the Charter Schools Committee finds: 1) the Proposed Change in Program meets the requirements of the New York Charter Schools Act of 1998 (as amended) and all other applicable laws, rules, and regulations; 2) approval of the Proposed Change in Program (together with the other terms of the Education Corporation's charter) would permit the Education Corporation to operate the middle school in an educationally and fiscally sound manner; and, 3) approval of the Proposed Change in Program is likely to improve student learning and achievement and materially further the purposes set out in Education Law § 2850(2); and, be it further

Resolved that the State University of New York Charter Schools Institute (the "Institute"), acting for the Board of Trustees, be, and hereby is, directed to: 1) enter into a proposed revision to the Education Corporation's charter in accordance with this resolution, which proposed revised charter shall include such assurances and terms as the Institute deems necessary and appropriate; and, 2) thereafter, submit the proposed revision to the New York State Board of Regents for its review, comment, and potential approval.

### **Background**

Pursuant to Resolution No. 2012-038, dated June 12, 2012, the Board of Trustees delegated authority to revise charters to the Charter Schools Committee. The SUNY Charter Schools Institute (the "Institute") determined that the changes set forth in this resolution require a revision of the charter school education corporation's charter pursuant to Subdivision 2852(7), which must be approved by the Board of Trustees in its capacity as a "charter entity" under the New York Charter Schools Act of 1998 (as amended, the "Act").

The overall health of International Leadership Charter High School (the "Education Corporation") – academically, fiscally, and operationally – is positive. The Institute made its Summary of Findings for the Education Corporation's proposed middle school program available to the Board of Trustees (copy on file in the Office of the Secretary of the University and the Albany office of the Institute).

The Institute reviewed the proposed middle school program elements (including enrollment projections, curriculum, and staffing) and budgets and found them satisfactory. The Institute also reviewed the proposed revision from the legal and fiscal perspectives and finds it suitable under the Act and applicable

law. Based on the foregoing, the Institute recommends the Charter Schools Committee approve the requested revision.

Pursuant to Education Law § 2857(1), the Institute properly notified the school district in which the education corporation is located regarding the receipt of an application for charter revision. As of June 7, 2021, the Institute received no comments.
