Background

Pursuant to Resolution No. 2012-038 dated June 12, 2012, the Board of Trustees delegated to the Charter Schools Committee the authority to approve or deny applications to establish new charter school education corporations, and applications by existing education corporations for authority to operate additional schools.

The New York Charter Schools Act of 1998 (as amended, the “Act”) permits new charters to be issued through requests for proposals (“RFPs”). Only the Board of Trustees and the Board of Regents may issue RFPs. Pursuant to the Act, seven charters to be located in New York City remain as of February 22, 2019. For locations outside of New York City, 99 charters are available.

The SUNY Charter Schools Institute (the “Institute”) released and broadly distributed a draft RFP for public comment on November 16, 2018. The Institute released the RFP on December 12, 2018 together with a document detailing its response to public comments. The Institute received the proposal to be approved by this resolution by the due date in the RFP, and then reviewed, scored (in accordance with a rubric required to be developed pursuant to Subdivision § 2852(9-a)(c)), and ranked it.

Prior to recommending the proposed charter school for approval, the Institute, acting on behalf of the Board of Trustees, conducted a rigorous review of the proposal and published a Summary of Findings and Recommendations (copy on file in the Office of the Secretary of the University and in the Albany
For the proposal listed above, the Institute, pursuant to Education Law § 2857(1), notified the school district in which the education corporation proposes to locate the charter school as well as public and non-public schools in the same geographic area of the school regarding the receipt of the application for a new school (copy on file in the Albany Office of the Institute). As of February 27, 2019, the Board of Trustees received no district comments.
