**SUBJECT: Resolution to Name the Evens Family Scholarship, at University at Buffalo**

### **Action Requested**

The proposed resolution names the Evens Family Scholarship at the University at Buffalo.

### **Resolution**

I recommend that the Board of Trustees adopt the following resolution:

**Resolved** that, in recognition of the philanthropic commitment by Ronald P. Evens, the Evens Family Scholarship at the University at Buffalo is hereby approved.

### **Background**

Ronald P. Evens, BS '69, has been deeply engaged with the University at Buffalo and its School of Pharmacy and Pharmaceutical Sciences as a dedicated volunteer and generous donor. Dr. Evens graduated first in his pharmacy class at UB and went on to earn his PharmD from the University of Kentucky and his EMBA from University of Southern California. Upon graduation, Dr. Evens went on to have an accomplished career in the pharmacy industry, serving as the president of Maps4 Biotec, Inc. (Nappa, CA). Through his consulting company, he provided the biotechnology industry services for strategy, planning, staffing

and operations of medical affairs groups for drug research, medical education, provider/patient services and product launch.

Dr. Evens serves as an adjunct professor at Tufts University School of Medicine's Center for the Study of Drug Development, and his scholarly work has been published in 150 national presentations and more than 200 publications (including 15 book chapters and Drug and Biological Product Development a book he edited in which he gratefully acknowledges the world-class education he received at UB, which prepared him for a successful career).

Dr. Evens was a member of the Dean's Advisory Council for the UB School of Pharmacy and Pharmaceutical Sciences for several years.

The Evens Family Scholarship is intended to provide support to PharmD students with financial need.
