Print this Planner. Using your [SUNY Transfer Path](#), enter the courses found in the “Lower Division Major Requirements” section into the “Requirement” column in the first section of the Planner. Use the [Core Course Finder](#) to find the title of an equivalent course at your first or current SUNY campus and complete column two. Visit [Campus Requirements](#) for your transfer college. Add or delete requirements in the “General Education Requirements” section as necessary. Use the [College Catalog](#) at your first or current college to complete column two. Enter the number of credits for each course in the column on the right that corresponds with the semester you plan to complete that course. Finally, review your planned coursework with your academic advisor at your first or current college and a transfer counselor at your transfer college.
