

**Directions to parking at the Conference Center Niagara Falls:**

Coming from the I-190 take the Robert Moses exit to downtown Niagara Falls City Center. Take a left at the second signal & you are on Rainbow Blvd. You'll see the casino on your right as you come down. Make a right on Third Street and about 100 yards on your left you'll see a surface lot. Pull in there and leave this voucher showing in the window.
