**COMMITTEE PURPOSE**

The primary role of the Student Life Committee is to provide oversight and policy direction on issues relating to students’ co-curricular experiences, interactions, programs, and services throughout the University.

The Committee will focus on the physical, emotional, and social health and well-being of SUNY college students in order to identify evidence-based best practices to improve student life and secure feedback from students on the impact of these practices. In addition, the Committee will seek to engage with students and other stakeholders in advocacy efforts on behalf of SUNY.

The charge of the Committee is to review existing policies and practices, and make new policy recommendations to the Board of Trustees on matters pertaining to student life on campus, including but not limited to:

- Student Safety  
- Health and Wellness  
- Child Care Services  
- Financial Aid and Financial Literacy  
- Career Counseling and Services  
- Student Governance  
- Athletics, Recreation, Clubs, and Organizations  
- Residence Life

Where appropriate, the committee will work in collaboration with other Board committees, particularly Academic Affairs, Community Colleges, and Finance and Administration.
