

CAREY GABAY SCHOLARSHIP PROGRAM

The State University of New York is the largest comprehensive university system in the United States. Our impact in New York State and across the globe begins with our 64 institutions, including research universities, academic medical centers, liberal arts colleges, community colleges, colleges of technology and an online learning network. We educate approximately 463,000 students in more than 7,500 degree and certificate programs, and nearly 2 million in workforce and professional development programs. Our nearly 3 million SUNY alumni are located around the globe, each making their own unique impact.

SUNY was created out of a commitment to opportunity and access, and designed to meet diverse needs across a vast geographic landscape. We reflect both the land grant mission reborn and a reputation for embracing new thinking and brighter ideals. Our faculty and students are constantly seeking, generating, analyzing, and sending knowledge back into the world through informed citizens, revitalized communities, and experts who transform entire sectors.

Carey Gabay, an attorney and public servant, was tragically killed as an innocent victim of gun violence in September 2015 at the age of 43. In his honor, The State University of New York has created the Carey Gabay Scholarship Program to provide financial assistance to five incoming SUNY State-operated campus students who exemplify Carey's commitment to social justice, leadership, and mentoring, as well as his personal story of succeeding academically despite an economically disadvantaged background.

Carey grew up living in public housing and attending public school in the Bronx, New York. After a successful high school career, he went on to graduate from Harvard University and Harvard Law School. He has long been committed to public service and giving back. While at Harvard University, he ran to become the president of his undergraduate student body. In recent years, he worked tirelessly in public service, first as an Assistant Counsel to New York Governor Andrew Cuomo and more recently as First Deputy Counsel for the Empire State Development Corporation.

The Carey Gabay Scholarship Program will award full cost of attendance scholarships to five students to attend a State University of New York State-operated campus. These scholarships will cover all costs of attendance, including tuition, room and board, college fees, books and supplies, transportation and personal expenses. These awards will be targeted to students who – like Carey – achieved academic excellence despite an economically disadvantaged background.

In order to be eligible to apply for the Carey Gabay Memorial Scholarship, a student must meet the following conditions:
