of Assistant Professor.

B. Promotion Eligibility
In determining eligibility for discretionary promotions—promotions to the rank of Associate Professor and to the rank of Professor—the College shall consider teaching ability, academic credentials, professional development, professional accomplishments, and teaching experience, along with the skill and accomplishments evidenced by Department Chairs in discharging their administrative responsibilities. Additional promotional criteria, if any, as may be established by the College, will be announced annually by October 15.

C. Promotional Procedure

1. Promotion recommendations will be initiated by the Department Chairperson’s Division School Dean; Department Chairs shall be informed through the annual evaluation process whether or not they have been recommended. Department Chairpersons not recommended for promotion by their School Dean may initiate a promotion recommendation on their own behalf.

2. Department Chairpersons not recommended for promotion or whose recommendations are denied at any step of the promotion review process shall, upon written request, be provided with the reasons (in writing) for such action by the person denying the promotions.

3. A Department Chairperson’s promotion recommendation materials will be forwarded through each step of the review process from School Dean to President of the College whether approved or disapproved.

4. Non-Grievability

Except as provided in Section A of this Article, rank promotions shall be in the sole discretion of the College. The denial of a discretionary promotion (to Associate Professor or to Professor) will not be subject to the grievance procedure herein provided.
ARTICLE XV

LEAVES

A. Sick Leave

Department Chairpersons shall be provided sick leave benefits as follows:

1. The College shall advance each Department Chairperson twelve (12) days sick leave on September 1 of each year. Department Chairpersons who receive an appointment after September 1 shall be advanced sick leave calculated on a pro-rata basis by multiplying twelve (12) days by the percentage of the school year remaining. Sick leave may be used in increments of one (1) day. A Department Chairperson will notify his/her supervisor as soon as possible of the need to use sick leave.

2. Subject to provisions of Section C. of this Article, a Department Chairperson may accrue up to one-hundred seventy-five (175) days of sick leave. If during a Department Chairperson’s last year of employment, he/she is prevented from receiving the full twelve (12) day credit for accumulated sick leave because of the one-hundred seventy-five (175) day limit, the last year’s uncredited number of sick leave days may be used to restore to accumulated sick leave any sick leave days used in the last year of employment.

3. After a Department Chairperson has exhausted all sick and personal leave, his/her salary shall be suspended should his/her absence continue unless coverage (instruction) of his/her classes is provided on a voluntary basis by a qualified member or members of the faculty and coverage of his/her duties as a Department Chairperson are provided as approved by the appropriate School Dean.
4. Sick leave validation, including disability arising out of pregnancy, may be requested in the form of a physician’s certificate.

5.  a. A Department Chairperson eligible to and who does retire under his/her retirement program shall have the irrevocable option of applying the dollar value of his/her accumulated sick leave credited to an account for the purpose of paying his/her full premium cost of the College health insurance plan following retirement. To be eligible for this benefit, the retiring Department Chairperson must have completed a minimum of five (5) years of compensated full-time service at Hudson Valley Community College. Upon exhaustion of this account, the premiums for health insurance will be paid by the retiree.

    b. In the event that a Department Chairperson who has exercised the option available under this section dies prior to exhausting the dollar equivalent of his/her sick leave accruals, the Department Chairperson’s dependents theretofore covered (spouse and/or eligible children) if any, shall so long as eligible, continue to receive the College health insurance plan until the exhaustion of such account.

    c. At the time of retirement the retiree may, at his/her further irrevocable option, have deducted from the dollar value of his/her accumulated sick leave a sum up to forty percent (40%) of the dollar value of his/her accumulated sick leave and be paid the same; the balance as heretofore outlined constituting an account to cover payment of the retiree’s health insurance premiums.

    d. A Department Chairperson eligible to retire under the conditions set forth in paragraph 5 (a) not electing the options provided under paragraphs 5 (a) and 5 (c) hereof shall be entitled to a lump sum payment equal to the dollar value of fifty percent (50%) of his/her accumulated sick leave.
6.  a.  A Department Chairperson not eligible to retire under his/her retirement program who has twenty (20) years of compensated full-time service at the College and who elects to terminate shall be entitled to a lump sum payment equal to the dollar value of fifty percent (50%) of his/her accumulated sick leave.

   b.  A Department Chairperson not eligible to retire under his/her retirement program who has twenty (20) years of compensated full-time service at the College, in lieu of the lump sum payment above outlined may, at his/her option, make an irrevocable election to have the sum to which entitled upon termination as set forth in paragraph 6 (a) credited to an account for the payment of his/her full premium cost of the College health insurance plan following termination under the same terms and conditions as provided for retirees under paragraph 5 (a) hereof.

7. To be eligible for the lump sum under paragraph 5 (d) and 6 (a) at the time of retirement or termination, a Department Chairperson must have provided the office of the President irrevocable notice of retirement or termination by April 1 preceding the fiscal year in which retirement or termination is to occur. Failure to provide such notice shall defer such payment until one (1) year from date of retirement or termination.

8. In the event a Department Chairperson dies prior to retirement, at the irrevocable option of the spouse or estate representative of the deceased faculty member, the dollar value of fifty percent (50%) of the deceased Department Chairperson’s sick leave accruals on the date of his/her death may be paid in a lump sum to the spouse or estate of the Department Chairperson member; or the sum to which entitled (50% of the deceased Department Chairperson’s sick leave accruals) may be credited to an account for the payment of the full premium cost of the College health insurance plan for the deceased Department Chairperson’s surviving dependents as provided in paragraph 5 (b) hereof.
B. Workers’ Compensation Leave

Whenever a Department Chairperson is absent from his/her duties as a result of on-the-job injury covered by Workers’ Compensation, he/she will be paid at the level of his/her salary which would otherwise have been due but for said injury (less the amount of any Workers’ Compensation award made for temporary disability due to said injury) for the period of six (6) months from the date of injury, and no part of such absence will be charged to leave to which he/she may otherwise be entitled.

C. Personal Leave

During each academic year, excluding use in conjunction with any work days outside of the annual obligation stipulated in Article VII, Department Chairpersons shall be entitled to four (4) days of personal leave without loss of pay for urgent personal business which cannot be deferred or for the observance of religious holidays. When taking such leave, Department Chairpersons will make provisions for coverage of their classes and other responsibilities. Requests for such leave, except in emergency situations, must be made in advance, in writing. Requests shall be directed to the Department Chairperson’s immediate supervisor. When Department Chairpersons must be absent due to emergency situations, they shall report this absence to their immediate supervisor or his/her designee at the first reasonable opportunity. Each instance of such leave must be recorded on the next absence report. Personal leave shall be taken in one (1) day increments. In the event that a Department Chairperson does not use all of his/her personal leave entitlement during the course of the academic year, up to two (2) days of such unused personal leave may be added to a personal leave bank, not to exceed a lifetime total of ten (10) days. This personal leave bank may be added to the sick leave accrual when the retirement sick leave bank is calculated, or when illness exhausts
available sick leave. Except by addition of the personal leave bank, the sick leave bank cannot exceed 175 days.

D. Sabbatical Leave

Sabbatical leaves of absence will be granted to full-time faculty members (inclusive of Department Chairpersons), in accordance with the following provisions:

1. Applicants become eligible for sabbatical leave after completion of six (6) years of full-time service at Hudson Valley Community College. Applications for sabbatical leave may be filed during the sixth year of employment and thereafter to be effective, if granted, the following academic year. Department Chairpersons who have previously been granted sabbatical leave under these qualifications must complete a minimum of an additional six (6) years of full-time employment at Hudson Valley Community College from the date of return from their last sabbatical leave in order to be eligible for a subsequent sabbatical leave. Notwithstanding the above, in instances where the number of recommended applications for sabbatical leaves is less than the number of available leaves, the committee may, in its discretion, consider applications from prior sabbaticants who have complied with the provisions of paragraph 9 above.

2. A sabbatical leave may be granted for one semester at full salary, two semesters at half salary or two semesters at full salary. The salary so paid shall not be reduced by a grant or fellowship received by the applicant.

3. The total number of sabbatical leaves granted per College year shall be subject to budget limitations; however, there shall not be more than four (4) at full salary during each year of the Agreement.
4. Completed sabbatical leave application forms for leaves to be effective for one or both semesters of the upcoming academic year shall be submitted to the President of the College by 5:00 p.m. on the last faculty work day in the month of January.

5. As part of the application for sabbatical leave, the applicant shall clearly indicate the purpose of the leave and, if the leave is for study, the name of the institution and the identity of the study and courses to be pursued and their relationship to the applicant’s professional position. Applications for leave for travel or educational experience (limited to one (1) semester) shall state their specific educational object in direct relation to the applicant’s field of endeavor. Should a sabbatical leave be granted, any subsequent change from that as stated in the application shall require written notification and approval by the President.

6. The sabbatical recipients and the terms of their leaves shall be determined by a committee composed of five (5) representatives of the tenured faculty, two (2) representatives of the Department Chairpersons and three (3) representatives of the administration. A Department Chairperson may not serve on the committee if a member of his/her department is an applicant; a faculty member may not serve on the committee if his/her Department Chair is an applicant; an applicant may not be a member of the committee. Committee determinations are subject to the approval of the President of the College and the Board of Trustees.

7. Sabbatical leave recipients remain employees of the College and their salaries shall be subject to the normal deductions for social security, income taxes, health insurance, and other deductions. Upon return from sabbatical leave, the recipient will be restored to the position to which entitled (or a comparable position) at a salary equal to that which he/she would have received had he/she been in regular attendance at the College during the period of the sabbatical leave, less, however, the pro rata of any leave credits based on the duration of the sabbatical leave.
8. Upon return from sabbatical leave, the recipient will within sixty (60) days, unless extended by the President submit to the President a detailed report inclusive of appropriate records and data relative to such leave.

9. Following sabbatical leave, the recipient is expected to return and complete two (2) years of service in the event of one (1) year’s sabbatical leave, one (1) year’s service in the event of one-half (1/2) year’s sabbatical leave. The College may require, as a condition precedent to the granting of a sabbatical leave, the execution of instruments to secure the repayment of salary received when on sabbatical leave in the event of the failure of the recipient to return and complete such service.

10. Before reviewing applications, the Sabbatical Leave Committee shall establish guidelines and criteria for its operation and publish the same. Within forty (40) faculty working days following the final submission date for sabbatical leave applications, the Committee will communicate in writing to each applicant its determination on his/her application; an applicant not recommended for sabbatical leave will be granted an opportunity to meet with the representatives of the Committee to review the Committee’s determination on his/her application and the reasons therefor.

11. The determinations of the Sabbatical Leave Committee will be grievable only as follows:

   a. The aggrieved shall have the burden of proof in all cases.

   b. The sole grounds for a grievance will be that the actions of the Committee were arbitrary or capricious.

   c. Grievances will be submitted at the second stage within five (5) faculty working days following the receipt of the Committee’s determination.
E. Jury Duty and Court Appearances

1. Jury Duty

Any Department Chairperson scheduled for jury duty shall be excused from class attendance and other duties for such jury service which conflicts with his/her professional responsibilities without loss of pay or charge to leave credits. All pending instances of jury duty shall be reported to the Division School Dean immediately upon the receipt of notice thereof. The College may request documentation to substantiate a faculty member’s actual jury duty.

2. Court Appearances

As a party to any action or as a result of subpoena, any Department Chairperson shall be excused from his/her professional responsibilities without loss of pay or charge to leave credits.

F. Leaves of Absence (Unpaid Leaves)

1. Unpaid leaves of one (1) or two (2) semesters may be granted to Department Chairpersons holding probationary faculty appointments at the discretion of the College. In the instance of Department Chairpersons enjoying tenure appointments, unpaid leaves of absence of one (1) or two (2) semesters will be granted upon advance application as described in paragraph 3 of this Section of the Agreement. Extensions of leaves shall be in the discretion of the College. Such leaves shall commence at the beginning of a semester. The total number of leaves available per College year for faculty, inclusive of Department Chairpersons, enjoying tenure shall not exceed three (3). Additional leaves may be granted at the discretion of the College. Where the purposes of the leaves are for advanced study, exchange teaching or other activity in each instance related to the applicant’s field of professional duties or which otherwise benefit the College, or for the purpose of holding professional or political office or seeking the latter, upon return from such leave
the recipient shall be restored to the position he/she held prior to his/her leaves or a comparable position and shall receive a salary equal to that which he/she would have received had he/she taught at the College during such period, exclusive of rank promotion.

2. A Department Chairperson on unpaid leave shall retain but shall not accumulate additional credit toward continuing appointment.

3. Applications for leave must be made in writing to the President of the College within twenty (20) faculty working days after the start of the semester preceding the semester for which the leave is being requested. The time limit may be waived by the College in the case of emergency or other mitigating circumstances.

G. Validation of Attendance

Department Chairs shall verify their attendance and record their absences on forms provided by the College.

ARTICLE XVI

INSURANCE

A. Continuation of Current Benefits

1. The College shall continue to make available to all full-time bargaining unit members and their eligible dependents, coverage as congruent as possible to group health, hospitalization, dental (see Article XVI, section 2) and disability benefits as existed under the benefit programs offered immediately prior to the execution of this Agreement.

The College shall also offer each full-time bargaining unit member and his/her eligible dependents the option of participating in a health maintenance organization (HMO) in lieu of participation in
the College’s traditional health plans. The College shall determine which HMO’s shall be offered. If an employee chooses HMO coverage, this option will be in place of benefits currently provided by the traditional health benefits coverage. The College reserves the right to change or provide alternate insurance plans or carriers, HMO’s, or benefit levels, or to self-insure, as it deems appropriate, for any form or portion of coverage referred to in this Article, so long as the new coverage and benefits are as congruent as possible to the programs which predate this Agreement. The College agrees to attempt to minimize changes by incumbent insurance providers and HMO’s from one plan year to another. However, the College will not be responsible for changes unilaterally imposed by an insurance provider, or HMO, in benefits, co-payment provisions or deductibles. Effective as of the new plan year commencing on or after September 1, 2001, all participants in the Blue Shield NENY Group Indemnity Plan shall be subject to a prescription drug co-pay of five dollars ($5.00) for generic drugs and twenty dollars ($20.00) for other than generic drugs. This prescription drug co-pay shall not change unless agreed to by the parties.

2. The College shall continue to provide to all full-time Department Chairpersons a dental plan whose benefits are equivalent to the dental plan now in effect for employees of the County of Rensselaer. Should the level or scope of benefits provided under the County-wide plan be increased for County employees, the same increase(s) shall automatically be accorded to eligible bargaining unit members covered by this Agreement.

3. The College shall continue to pay 100% of the cost of all individual insurance coverage for each full-time Department Chairperson. Provided, however, that all full-time faculty first employed for or after the 2001-2002 academic year and prior to September 1, 2009 who elect coverage under the individual indemnity plan shall pay fifteen percent (15%) of the total premium cost of said individual plan for the first five (5) years of their fulltime employment at the College. Full-time faculty members first employed for or after the 2009-2010 academic year shall
contribute fifteen percent (15%) toward the cost of any individual health insurance plan during the five-year probationary period and five percent (5%) thereafter. The cost of any premium increase(s) in the dependency coverage portion of the health insurance program shall be borne equally by the College and the faculty member. If, however, the College effects a savings in the total cost of the health insurance program covering bargaining unit personnel, such savings shall be applied as an offset to any increase(s) in the employee’s contribution to the cost of the dependency coverage as described herein.

4. Benefits for Spouse. Where both spouses are employees of the College, at the option of the couple, either two individual policies or one family policy may be elected with the College paying the entire monthly cost of either two individual policies or one family policy.

5. Each employee (except employees whose spouses are also eligible for coverage) may elect to refuse participation in the College Health Insurance Program and may provide for his/her own health insurance. The Employer will place $50.00 in a trust account each month that the employee is eligible but does not elect coverage. The employee will receive the funds so accumulated by December 15 of each year or upon termination. An employee may elect to resume coverage the first of the month following a minimum of three (3) business days’ notice.

6. In the event of a change of health insurance carriers or the election by the College or County to self-insurance any one or more of the coverage as provided hereunder, such change shall be made only after thirty (30) days notice to and subsequent consultation with the Association.

7. The extent of coverage under the health, dental, and disability benefit plans, including any HMO’s and/or self-insured plans referred to in this Agreement shall be governed by the terms and conditions set forth in said policies and plans. Any questions or disputes concerning said insurance policies or plans or benefits thereunder shall be resolved in accordance with the terms and
conditions set forth in said policies or plans. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it is contracted or is obligated shall result in no liability to the College or County. However, in instances where the College agrees that an insurance provider may not be meeting its contractual obligations, the College agrees to contact the insurance provider on the employee’s behalf.

2. All grievances shall be in writing and shall include the name and position of the aggrieved party, a brief statement of the nature of the grievance, and the redress sought by the aggrieved party.

3. Except for informal decisions at Stage 1, all decisions shall be rendered, in writing, at each step of the grievance procedure setting forth findings of fact, conclusions and supporting reasons therefor. Each decision shall be promptly transmitted to the aggrieved party, the parties hereto, and, if any, all parties in interest (any person or party named in the grievance who is not the aggrieved party).

4. A grievance having Department Chairpersons unit-wide or broader implications, may be submitted by the Association directly at Stage 2 described below.

5. The preparation and processing of grievances shall be conducted at a time affording all interested parties a reasonable opportunity to attend; employees who are required to be present during working hours should be excused from duty without loss of pay. Reasonable effort will be made to avoid interruption of classroom activity, and to avoid involvement of students in any phase of the grievance procedure.

6. All parties agree to facilitate any investigation which upon request, of any party hereto and/or any aggrieved party, any and all material and relevant documents, communications and records concerning alleged grievances.
7. Except at Stage 1 of the grievance procedure, any party hereto, an aggrieved party, and any party in interest shall have the right at all stages of the grievance to confront and cross-examine all witnesses called against him, to testify and to call witnesses on his own behalf, and to be furnished with a copy of the official minutes of the proceedings made at each and every stage of the grievance procedure.

8. The filing of grievances, serving notices, taking appeals, making reports and recommendations will be accomplished on the forms jointly developed for this purpose. The College shall have these forms duplicated and distributed to the President of the Association.

9. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

10. Nothing contained herein will be construed as limiting rights of any Department Chairperson having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance informally adjusted, provided that except at Stage 1 (A) the Association shall be promptly informed of the details of such adjustment. Any grievance that is adjusted without formal determination, pursuant to this procedure, while binding upon the aggrieved party and in all aspects final, shall not create a precedent of ruling binding on either of the parties to this Agreement in future proceedings.

11. Every person who has the right to bring a grievance hereunder has the right to be represented by a representative of his own choice, provided, however, that any grievance finally determined without participation of the Association while binding on the aggrieved party and in all respects final, shall not create a precedent or ruling binding either of the parties to this Agreement and future proceedings.
12. The Association shall be entitled to at least five (5) working days advance notice of all hearings on grievances in which the aggrieved party is not represented by the Association, and if so advised to participate therein.

13. In any and all cases where the aggrieved party is not represented at any stage of the grievance procedure by the Association, the Association may, at its sole discretion, appeal the decision in any such grievance to the next higher stage of the grievance procedure.

14. Any and all notices which this grievance procedure requires to be given to the Board of Trustees, College or representative thereof, may be delivered to the President of Hudson Valley Community College or in his/her absence the person in charge of his/her office.

15. Time limit specified herein may not be extended except by mutual agreement.

16. Grievances must be initiated at the first available stage within thirty (30) faculty working days of the occurrence of the event giving rise thereto, or of the date the grievant should reasonably have had knowledge thereof.

17. If a decision at one stage is not appealed to the next stage of the procedure within the basic time limit specified, the grievance shall be deemed to be dismissed. Questions relating to compliance with this limitation or appeal shall not be arbitrable.

18. Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, his/her representatives and the Association within the specified time limit, shall permit the lodging of an appeal to the next stage of the procedure within five (5) faculty working days after the expiration of the period which would have been allotted for appeal, had the decision been communicated by the final date.
19. In the event a grievance is filed on or after April 1, upon request by or on behalf of the aggrieved party, the time limit set forth herein may be reduced pro rata by mutual consent, of all parties involved so that the grievance procedure may be exhausted prior to the end of the College term, or as soon thereafter as possible.

20. Stages of the grievance procedure:

a. Stage 1: Supervisor - Informal

(1) A Department Chairperson having a grievance will discuss it with his/her appropriate supervisor, either personally and/or by a representative, with the objective of resolving the matter informally.

(2) If the grievance is not resolved within five (5) faculty working days of submission it shall, within seven (7) faculty working days of submission be reduced to writing and presented to the appropriate supervisor. Within two (2) faculty working days after the written grievance is presented to him/her, the appropriate supervisor shall render a decision thereon, in writing.

b. Stage 2: President

(1) If any aggrieved party is not satisfied with the written decision at the conclusion of Stage 1 and wishes to proceed further under this grievance procedure, the aggrieved party shall, within five (5) working days of receipt of the decision at Stage 1, file a written appeal of the decision at Stage 1 with the President. Copies of the written decision at Stage 1 shall be submitted with the appeal. Within two (2) working days after receipt of the appeal, the President or his/her duly authorized representative shall set a date for a hearing and notify the aggrieved party and/or his/her representative and all other parties in interest of said date, and hearing will be commenced within ten (10) faculty working days
after receipt of the appeal by the President who shall render a decision in writing within five (5) faculty working days after the conclusion of the hearing.

c. Stage 3: Binding Arbitration

(1) If the Association is not satisfied with the decision at the conclusion of Stage 2, the Association may submit the matter to arbitration by written submission to the American Arbitration Association with a copy to the President within five (5) faculty working days of the receipt of the decision at Stage 2.

(2) The parties will then be bound by the voluntary arbitration rules and procedures of the American Arbitration Association.

(3) The selected arbitrator will hear the matter promptly and will issue his decision not later than fourteen (14) calendar days from the date of the close of the hearing, or, if oral hearings have been waived, then from the date that the final statements and proofs are submitted to him. The arbitrator’s decision will be in writing and will set forth his finding of fact, reasons and conclusions on the issues.

(4) The arbitrator shall not have the power or authority to alter, amend or change the terms and provisions hereof or make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement.

(5) The decision of the arbitrator shall be final and binding upon all parties.

(6) The cost for the services of the arbitrator, including expenses if any, will be borne equally by the Association and the College.
