Article VIII – Employment Policies

Section One – Definitions

- A. Seniority – shall be defined as the date that an employee was first appointed to a permanent full-time position on the regular payroll and followed by continuous full-time service thereafter with the College in a title recognized by this agreement except as modified by Civil Service Law.

The relative seniority of two (2) or more employees hired or appointed on the same date shall be in the order of their hiring or appointments by the hiring or appointing officer.

When an employee completes his/her probationary period, he/she shall be entered on the seniority list retroactive to his/her date of hire. There shall be no seniority among probationary employees.

- B. Continuous Service – The original appointment of an incumbent shall be the date of his/her first appointment on a permanent basis in the classified service followed by continuous service in the classified service on a permanent basis up to the time of abolition or reduction of the competitive class position. An employee who has resigned and who has been reinstated or reappointed in the service within one (1) year thereafter, shall be deemed to have continuous service. An employee who has been terminated because of disability resulting from occupational injury or disease as defined in the Workers' Compensation law and who has been reinstated or reappointed in the service thereafter shall be deemed to have continuous service.

A period of employment on a temporary or provisional basis, or in the unclassified service, immediately preceded and followed by permanent service in the classified service, shall not constitute an interruption of continuous service. Nor shall leave of absence without pay or any period during which an employee is suspended from his/her position constitute an interruption of continuous service.

- C. Loss of Seniority – Subject to the Civil Service Law, an employee shall lose his/her seniority only upon the following:
- resignation (except where reinstated within a period permitted by applicable provisions of the Civil Service Law) or retirement;
 - discharge;
 - refusal of a recall to employment;
 - layoff for a period exceeding twelve (12) consecutive months.

Section Two – Probationary Period

- A. Every permanent appointment from an open competitive list and every original appointment to a position in the noncompetitive, exempt or labor class shall be for a probationary period of not less than eight (8) nor more than fifty-two (52) weeks.
- B. Every permanent appointment made from a promotional examination list resulting from an examination admitting noncompetitive class employees shall be for a probationary period of twelve (12) weeks.
- C. An appointment shall become permanent after his/her completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that his/her probationary period is successfully completed.
- D. If the conduct or performance of a probationer is not satisfactory, his/her employment may be terminated at any time after the completion of the minimum period of service, and on or before completion of the maximum period of service in the manner as prescribed in these rules.
- E. When a permanent employee is promoted or transferred to a position in which he/she is required to serve a probationary period, the position thus vacated by him/her shall not be filled, except on a temporary basis, during such probationary period. At any time during such period, the employee shall have the right to return to his/her previous position at his/her own election. If the conduct or performance of the probationer is not satisfactory, he/she shall be restored to his/her former permanent position at the end of his/her probationary period.
- F. Every promotion and transfer shall be for a probationary period of twelve (12) weeks. If the conduct of performance of the probationer is not satisfactory, his/her employment in such position shall be discontinued at the end of such term.
- G. Probationary employees shall receive all benefits afforded to all regular employees.

Section Three – Job Vacancies

Whenever a job opening occurs in a civil service job classification, rules and regulations of Civil Service shall be applicable.

Section Four – Promotion and Filling of Vacancies

The following procedure will be followed in filling such job openings:

- A. The term “promotion” means the advancement of an employee to a higher position or the reassignment of an employee to a higher paying position.
- B. Whenever an opportunity for promotion occurs or a job opening occurs in other than a part-time or temporary situation in any existing job classification, an announcement shall be posted on all bulletin boards, stating the job classification, rate of pay and the nature of the job requirements in order to qualify. Such posting shall be for a period of not less than five (5) work days.
- C. During this period, employees who wish to apply for the open position may do so.
- D. The Employer shall fill such job opening or vacancy from among those employees who have applied who meet the standards of the job requirements. Seniority and ability are the factors which will prevail in promotion. If abilities are relatively equal, seniority will prevail. This shall not preclude the Employer from hiring individuals from the outside.
- E. Any employee selected in accordance with the procedure set forth above shall undergo a trial period of a minimum of thirty (30) days but not to exceed ninety (90) days. If it is found that such employee does not meet the requirements or responsibilities of the position to which he/she has been selected during the trial period, then such employee shall be restored to his/her former position.
- F. Whenever an opening occurs in any position of the bargaining unit, it will be posted within five (5) working days of the opening and filled as soon as possible within existing Civil Service regulations.
- G. The Employer shall provide a current copy of the Civil Service Job Description for Custodian, Senior Custodian, Building Maintenance Helper, Building Maintenance Person and Building Maintenance Mechanic to the Union President.

Section Five – Work Rules

- A. The Employer agrees that new work rules or changes shall not become effective until they have been discussed with the Local and posted prominently on the bulletin board for a period of five (5) consecutive days.
- B. Employees shall comply with all work rules until determined to be in conflict with this Agreement through the grievance procedure.

Section Six – Change of Work Schedule

The Employer may change the time of the beginning or the ending of the work day to suit varying conditions; provided, however, that in order to afford opportunity for joint discussions, changes deemed necessary by the Employer shall be made known to the Local President no less than five (5) work days in advance of such change. Any Change in the work week will be mutually agreed upon by the Local and the Employer. The Employer can then institute the change after five (5) work days of the first notice to the Local President.

Section Seven – Layoff

A. In the case of job abolishment, reduction in forces, layoff, recall, and personnel changes, the rules shall apply to positions in the competitive and noncompetitive class.

B. Work Force Reduction – the following will apply:

The most junior member(s) in the following job classes (Custodian, Senior Custodian, Building Maintenance Helper, Building Maintenance Person, or Building Maintenance Mechanic) shall be laid off.

An employee cannot bump another employee who has less seniority but is in a higher job classification.

Regardless of seniority, personnel in the noncompetitive class cannot bump positions in the competitive class and vice versa according to Civil Service regulations.

- C. The Employer will notify the Local in advance of such impending layoff for purposes of explanation and communication of such reduction. If an employee wishes to bump a member in a lower job classification, he/she must notify the Human Resources Office within seven (7) days.
- D. The Employer shall forward a list of those employees being laid off to the Local secretary.
- E. Employees to be laid off will have at least thirty (30) calendar days' notice of layoff.
- F. When the work force is increased after a layoff, employees will be recalled in order of seniority. Notice of Recall shall be sent to the employee at his/her last known address by certified mail. If any employee fails to report for work within ten (10) days from the date of mailing of Notice of Recall, he/she shall be considered a quit. Written notice of explanation of recall rights shall be sent to the employee at his/her last known address by certified mail.

- G. No new employee shall be hired until all laid-off qualified employees with the same job classification and desire to return to work have been called. Competitive employees shall be governed by Civil Service regulations. Employees in the noncompetitive class shall have recall rights for a two-year period from time of layoff.

Section Eight – Reassignment

If an employee's position is reallocated to a lower salary grade, the employee shall be permitted to continue at his/her present rate of pay during the period of incumbency (except in the event of general service-wide reductions). Said employee shall not be entitled to a salary increase, unless his/her present rate of pay is below the maximum of the lower grade, whereby he/she shall be entitled to the increments of the lower grade until the maximum grade is reached.

Section Nine – Voluntary Quit

Employees who are absent from work for a period of three (3) consecutive work days and fail to notify the Employer shall be considered as having voluntarily terminating their employment, unless an acceptable reason is given to the College.

Article IX – Work Schedules

Section One – Definitions

This Article defines the normal work hours and shall not be construed as a guarantee of work hours per day, per week, or work days per week.

- A. Work Day – Eight (8) consecutive hours of work within a twenty-four (24) hour period commencing 12:01 a.m. to 12:00 midnight shall constitute the regular work day.
- B. Work Week – The work week shall consist of five (5) consecutive eight (8) hour days, Monday through Friday inclusive.
- C. Work Schedules – employees' shifts, work days, and hours shall be posted on all department bulletin boards at all times.

Section Two – Work Shifts

- A. The Employer will divide the force into no more than three (3) work shifts, subject to Article VIII, Section 6.

FIRST SHIFT: scheduled between 7:00 a.m. and 3:00 p.m. with a thirty (30) minute paid lunch period.

SECOND SHIFT: scheduled between the hours of 3:00 p.m. and 11:00 p.m. or 4:00 p.m. and 12:00 a.m. midnight with a thirty (30) minute paid lunch period.

THIRD SHIFT: scheduled between the hours of 11:00 p.m. and 7:00 a.m. with a thirty (30) minute paid lunch period.

- B. Each shift shall have a regular starting and quitting time and each employee shall be regularly assigned to a specific shift except as may be otherwise stated elsewhere within this Agreement.
- C. SHIFT PREFERENCE. After one (1) year of continuous service on a particular shift, an employee, unless unqualified, may exercise his/her seniority in respect to choice of shift.

When an employee chooses to exercise his/her seniority for choice of shift, he/she may utilize the process with no time restrictions. This procedure may be utilized only when a shift vacancy exists.

- D. In the event of work force reduction on a shift, the least senior member(s) within one of the following job classifications (competitive/ noncompetitive) may be transferred to another shift.
- E. No employee shall have their shift changed as a form of disciplinary action.
- F. The hours of work for custodial staff shall be noon - 8:00 p.m. on Fridays. However, upon reasonable notice by the Director of Buildings and Grounds, one or more employees may be assigned to work 3:00 p.m. – 11:00 p.m. for appropriate coverage. If the 3:00 p.m. - 11:00 p.m. shift cannot be covered by employees volunteering, the shift will be assigned on a rotating basis by the Director of Building and Grounds to maintain College operations, with the understanding that a need in Auburn will be filled with Auburn personnel and a need in Fulton will be filled by Fulton personnel. In no circumstance shall this alteration of the Friday work hours (noon - 8:00 p.m.) result in the payment of overtime. This provision shall expire and sunset on August 31, 2021.
- G. Custodians to work 12:00 p.m. - 8:00 p.m. on the day before the College assessment day.

Section Three – Overtime

- A. All work performed in excess of eight (8) hours in any one (1) work day or in excess of forty (40) hours in any one (1) work week shall be paid for at the rate of time and one-half (1 1/2) for hours worked; provided, however,

there shall be no pyramiding of overtime. The hourly rate shall be determined by dividing the annual salary by 2080.

- B. All hours worked on Saturday or Sunday will be paid for at time and one-half (1 1/2) rate unless Saturday and/or Sunday are part of the employee's five (5) day work week.
- C. An employee called for emergency duty by his/her supervisor in addition to or outside his/her regular scheduled shift shall be paid for a minimum of four (4) hours work at the rate of time and one half (1 1/2).
- D. All overtime recorded during first week shall be posted the following week.
- E. Faculty Student Association overtime will not be counted with regular overtime.
- F. Exchange of Overtime

By notice of no less than three (3) days to the Director of Buildings and Grounds, members shall have the right to exchange Saturday and Sunday overtime assignments.

An employee can exercise the rights of exchange as set forth in F-1 above only after being an employee for six (6) months.

- G. Lunch Period: A twenty (20) minute paid lunch period will be given employees after five (5) consecutive hours of overtime have been completed.

Section Four – Overtime Distribution

- A. Overtime work shall be distributed equally to all employees within job classification. There shall be two (2) overtime job classifications, custodial and maintenance. Each new employee will be credited with the same number of overtime hours as the average of other employees. The distribution of overtime shall be equalized within five (5) hours plus or minus for each four (4) month period beginning on the first (1st) day of the calendar month following the effective date of this Agreement. Upon the exhaustion of the list of employees within a particular classification, overtime may then be offered to employees on the same basis in other classifications.
- B. On each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his/her credit at that time. In the event that the work is to be performed at the Auburn campus, the overtime will be offered to the employees at the Auburn campus within the job classification first, and if the required number of employees has not been achieved, the overtime

will then be offered to the employees of the Fulton campus within the job classification. In the event that the work is to be performed at the Fulton campus, the overtime will be offered to employees at the Fulton campus within the job classification first, and if the required number of employees has not been achieved, the overtime will then be offered to the employees of the Auburn campus within the job classification. If the employee refuses the assignment, he/she must give 48 hours (2 days) notification prior to the end of the week. The employee with the next fewest number of overtime hours to his/her credit will be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. Employees refusing such overtime assignment will be credited for the accumulation of overtime as having worked such overtime. If overtime work assignments cannot be achieved by employees volunteering, overtime will be assigned to least senior employee(s) within the job classification by the Director of Buildings and Grounds to maintain college operations.

- C. A record of the overtime hours worked by each employee shall be posted on the department bulletin board weekly.
- D. There shall be no discrimination against any employee who declines to work overtime.
- E. If the call-time work assignment and the employee's regular shift overlap, the employee shall be paid the call time rate of time and one-half (1 1/2) until the start of his/her regular work shift. The employee shall then be paid for his/her regular work shift at his/her appropriate rate.
- F. Under no circumstances shall an employee be sent home during his/her regular scheduled shift for the purpose of recalling such employee to work on another work shift which either begins at the employee's regular work shift or anytime thereafter.

Section Five – Breaks

A. Rest Period

All employees' work schedules shall provide for a fifteen (15) minute rest period around the midpoint of each half shift so that at least one (1) employee is always on duty. This rest period will be taken in the building to which the employee is assigned.

During the College’s Easter/Spring break period, employees will receive one (1) half-day off.

Section Eight – Official College Closing/Emergency Closings

Closings shall be subject to the employee Reporting Procedures for Emergency/Weather Related Closings and Delays (refer to the Employee Handbook, Section A – Policies and Procedures). In the event of a conflict in vacation scheduling, employees with the longest seniority will have the first selection. However, the final right to allot vacation periods and to change such allotment is exclusively reserved to the Employer in order to ensure the orderly operation of the College. Vacation requests of three (3) or more consecutive days shall be submitted to the appropriate supervisor no earlier than six (6) months and no later than one (1) week in advance of the first requested day off.

Section Five – Vacation Schedule

An annual vacation with pay will be granted to each employee according to the schedule listed below. In computing longevity for vacation credits, an employee's length of service shall be computed from the date of his/her original appointment in the College service to any permanent position, provided that the employee's service with the College has been continuous.

Vacation accrual rates will be computed on the fiscal year. For the purpose of this section only, the year will be considered December 1st to November 30th. Carryover dates and other references to year will refer to December 1st.

Except in extraordinary circumstances, if an employee fails to notify the Director of Buildings & Grounds, or his/her designee, within the time stated, the absence shall not be credited to sick leave and shall be considered time off without pay.
- C. When continuous sick leave exceeds three (3) days or when in the opinion of the employer, a pattern of abuse has developed, the employer may require as a condition of payment, a statement from the employee’s physician certifying the nature of the illness and the probable period of disability. When the employer selects a physician for the examination of an employee, such examination will be paid for by the employer.
- D. Accumulated sick leave shall not be payable at the time of termination of employment whatever the reason, unless a physician selected by the employer certifies that the termination of employment was necessitated by illness or injury, and then only so long as such illness or injury continues and the employee permits physical examination at reasonable intervals.

$$\frac{\text{unused sick leave}}{165} \times \text{annual salary} = \text{salary equivalent}$$

165

- F. Calculation: The amount of payment for all unused sick leave is to be at the employee's rate of pay in effect on the payday immediately preceding the employee's separation in the event of death.

Section Three – Job-Related Injury or Disease

This waiting period shall not be charged against accumulated sick leave credit. An adjudication by the Workers' Compensation Board as to whether an injury or sickness arose in the course of employment shall be final and conclusive. Before allowing any such leave with pay, the department head may require a physical examination, paid by the College, as a condition of return to work to establish that the employee is able to perform his/her own normal duties and that his/her return to work will not jeopardize his/her own health and safety or that of other employees.
- B. Supplemental Pay: Employees who are unable to perform the duties of their employment because of injuries received in the service of the employer and who receive Workers' Compensation benefits shall receive a supplemental sum equal to the difference between their wages and their compensation benefits for time lost from work.

REQUEST. A request for leave of absence must be presented in writing by the employee to the Human Resources Director thirty (30) work days prior to the date such leave of absence is requested to take effect, except in the case of an emergency, in which case as much advance notification as possible shall be given.

Section Seven – Personal Leave

All full-time employees shall earn two (2) personal leave days with pay each fiscal year of continuous service beginning on September 1st. Except for emergencies a request for personal leave shall be effectuated by completing a request for leave form at least 24 hours in advance.

Personal leave shall not be taken in segments of less than one-half (1/2) days.

RESTRICTION. Except for emergencies, personal days cannot be taken immediately before or after a holiday. If an employee has less than six (6) months service or if said leave impairs the efficiency of the College operation as determined by the administration, personal leave will not be approved.

Extreme personal hardship for employee or his/her immediate family is an exception to the above.

Section Eight – Jury Duty

When an employee is summoned for jury duty, he/she shall receive his/her full salary or daily straight time hourly rate for any time necessary or actually missed as a result of jury duty. Section One – Definition

Any grievance or dispute which may arise between the parties, involving the application, meaning or interpretation of this Agreement, shall be settled in the manner described below.

Section Two – Grievance Procedure

The purpose of this Section is to provide the sole method for the settlement of grievances as defined herein and such grievances shall be settled in accordance with the following procedure.

All meetings and hearings shall be confidential and conducted in closed sessions. There will be no press releases, except by mutual agreement (in writing) by both parties.

- STEP 1. The Local Steward or other authorized representative of the Local, with or without the employee, shall take up the grievance or dispute with the employee's immediate Supervisor within thirty (30) work days of its occurrence. The Supervisor shall then attempt to adjust the matter and shall respond to the Steward within five (5) work days.
- STEP 2. If the grievance has not been settled, it shall be presented in writing by the Local Steward or other authorized representative of the Local to the Human Resources Director within five (5) work days after the Supervisor's response is due. The Human Resources Director or his/her designee shall respond to the Local in writing within ten (10) work days.

- A. In the event that a grievance is unresolved after being processed through all the steps of the Grievance Procedure, no later than thirty (30) calendar days after the Third Step procedures are completed, the College President or the Local may then submit the grievance to arbitration by notifying the other party by registered mail and requesting the Voluntary Arbitration services of the Public Employment Relations Board.

 - C. The arbitrator shall not order back pay in any case for a period of more than sixty (60) working days prior to the date the grievance was initiated. All awards of back pay shall be limited to the amount of wages the employee would have earned from his/her employment with the Employer but not in excess of the period above defined, less any other

- E. No arbitrator shall decide more than one grievance on the same hearing or series of hearings except by mutual agreement between the parties.
- F. The decision of the arbitrator shall be final and binding upon the parties. The fees and expenses of the arbitrator and the costs of the hearing room shall be equally shared by the Employer and the Local.

All other expenses shall be borne by the party incurring them. Neither party shall be responsible for the other party's share of the divided costs nor of the expenses of witnesses or participants called by the other.

Disciplinary action may be imposed upon an employee only for failing to fulfill his/her responsibilities as an employee. Any discipline or discharge action or measure imposed upon an employee may be processed as a grievance through the regular grievance procedure, including the arbitration step, if necessary, except that nothing in this section shall be construed to deny any eligible permanent employee the right to utilize Section 75 and 76 of the Civil Service Law in any disciplinary matter. It is understood that any employee choosing either the contractual grievance procedure or the statutory procedure shall be bound by the procedure chosen and shall not be allowed to pursue both procedures.

Section Three – Employment Security

Cayuga County Community College Workers' Compensation Form

When an employee is injured on the job and meets the Workers' Compensation eligibility requirements, the following two (2) options are available.

PLEASE READ CAREFULLY:

Workers' Compensation Option

- The employee “leaves” under Workers' Compensation which is retroactive to day one after the seven (7) consecutive calendar day waiting period obligation is met (deductible charged against College). The employee will deal directly with Workers' Compensation for reimbursement during the disability period. Reimbursement is approximately 67% based on the previous 12 months earnings, and the employee is deactivated from the College payroll during the period of disability.
- Benefits: retirement contributions would cease during disability period; however, all other benefits would be retained and continue to accrue. When reinstatement is made, retirement contributions would be reactivated.

_____ 1/3 X 2/3 College Option

- During the disability period, retroactive to day one after the seven (7) consecutive calendar day waiting period (deductible charged against College), the employee will receive approximately two-thirds (2/3) of his/her salary (based on the previous 12 months) directly from the Workers' Compensation Board. The College will pay the employee the difference between the compensation payment (2/3's) and their current bi-weekly salary (1/3). Upon receipt of the Workers' Compensation payment, the employee shall present the check to the Human Resources Office so that the dollar amount can be reduced from their pay.
- Benefits:
 - Insurance: Health insurance and life insurance will be retained.
 - Sick Leave: Employee will be assessed one-third (1/3) sick leave day for every day absent against his/her accrued sick leave (whereas two-thirds (2/3) sick leave day will be reimbursed by the Compensation Board) and sick leave would continue to accrue.
 - Vacation Leave: will continue to accrue.

- Retirement: contribution would be made only on funds received from the College (approximately one-third (1/3) of a day). Workers' Compensation does not contribute to retirement.
- Tax purposes: College moneys received are taxable whereas reimbursement received from Workers' Compensation is not.
