4.16 The College will print and CSEA will distribute copies of this Agreement to the employees in the bargaining unit.

**ARTICLE V – Seniority.**

5.1 a) Seniority shall be measured from the last date of hire as a full-time employee (excluding leaves of absence, layoff periods of less than two (2) years, and/or change in employment status from full-time to part-time or vice versa). A seniority list within title shall determine layoffs and recalls to work.

b) Seniority shall be given consideration when filling or promoting in non-competitive and labor class positions provided the person is qualified to perform the duties of the position. If, in the judgment of the College, two or more employees seeking to fill the position are equally fit to fill the position, seniority shall prevail.

5.2 An employee who is laid off due to job abolishment may displace a less senior employee in the same title or retreat to an existing title for which he/she is qualified within the same department occupied by a less senior employee. Such “bump” and retreat right shall be in the same department in which the laid off employee was employed.

5.3 When an employee self terminates his/her employment, consideration will be given to applicants who are members of the bargaining unit and qualified for the position before the position is offered to outside persons. Such transfer is subject to approval by the appropriate Area Supervisor or her/his designee.

The College agrees to notify members of the bargaining unit when a vacancy occurs and the College intends on filling the position.

**ARTICLE VI - Work Day and Work Week and Overtime.**

6.1 Full-time clerical employees shall work a seven and one-half (7½) hour workday with one-half (½) hour for lunch; the workweek shall be thirty-seven and one-half (37½) hours. The work day for full-time custodial and maintenance employees shall be eight (8) hours exclusive of one-half (½) hour for lunch; the workweek shall be forty (40) hours.

6.2 For graduation and registration days, the College shall request employees on a voluntary basis who wish to work. Employees shall be selected based upon seniority. If there is an insufficient number of employees on the voluntary list, qualified employees may be assigned in an inverse order of seniority. Employees shall be paid at the applicable rate.

6.3 During the months of June, July and August, full-time clerical employees shall work a six and one-half (6½) hour day. However, the College has the right to assign such
employees to work a seven and one-half (7½) hour day between June 1 and June 15, inclusive of both dates and between August 1 and August 31, inclusive of both dates. Employees so assigned shall be paid at their straight hourly rate for all time worked in excess of six and one-half (6½) hours per day.

6.4 a) All hours worked beyond forty (40) hours per week shall be paid at one and one-half (1½) times the employee's regular hourly rate or awarded at one and one-half (1½) hours for each hour worked over forty (40) hours and must have the approval of the employee's immediate supervisor and/or appropriate Area Supervisor or her/his designee.

b) Compensatory time must be taken within the following two (2) pay periods unless otherwise agreed by both the employee and immediate supervisor. No employee's hours of work shall be altered to avoid payment of overtime.

6.5 The College has the right to change the regular work schedule on seven (7) days' notice to the employee involved provided that the change is not intended to avoid overtime.

6.6 Emergency overtime and prescheduled overtime shall be offered to employees as follows and shall be based upon seniority at a specific campus and seniority by department, which shall be defined as follows: library, clerical and maintenance. Employees wishing to volunteer for overtime shall submit their names to the appropriate department head. Overtime shall initially be offered to the most senior qualified employee at the specific campus and in the specific department. If there are an insufficient number of volunteers, qualified employees shall be mandated to work overtime by inverse order of seniority (least senior first). This provision shall not apply where it is necessary to extend the work day of employees to complete a work assignment.

Employees who are called in to emergency overtime after they have left the work site shall be paid a minimum of 2 hours at the applicable rate.

6.7 Employees working a shift other than the day shift will earn an additional sixty (60) cents per hour. An employee whose shift extends beyond 4:30 p.m. will be paid an additional sixty (60) cents per hour for the time worked after 4:30 p.m.

**ARTICLE VII - Holidays.**

7.1 Full-time employees shall receive the following paid holidays per year:

- New Year's Day
- Thanksgiving Day
- Memorial Day
- Thanksgiving Friday
- July 4th (Independence Day)
- Christmas Day
- Labor Day
- Good Friday
In addition to the foregoing holidays, each employee shall have four (4) floating holidays to be taken prior to August 31 of the year of entitlement. Two of the four floating holidays will be taken on days set by the College. College to provide notice prior to September 15 of each year.

7.2 Part-time employees working in excess of twenty-five (25) hours per week shall receive those of the above holidays on which they are scheduled to work.

7.3 Holidays which fall on Saturday shall be observed the preceding Friday and shall be considered non-working days. Holidays which fall on Sunday shall be observed the following Monday and shall be considered non-working days.

7.4 The foregoing regulations shall not be construed as preventing the College from granting employees additional days off with pay.

7.5 Employees required to work on any of the above holidays shall be allowed to take another day off in lieu thereof.

For employees with alternative work schedules other than another than the traditional Monday thru Friday, when a holiday occurs on the employee’s regularly scheduled day off, the employee will be entitled to another day off in lieu thereof of the contractual holiday.

Days off will be taken within sixty (60) days by mutual agreement with the department supervisor and will not be unreasonably denied. Days not taken within the sixty (60) days will be paid in the next payroll following the end of the sixty (60) day period.

ARTICLE VIII - Vacations.

8.1 Vacation Days are credited on September 1, however they are earned on a pro-rata basis throughout the year. If an employee terminates employment during the year, any vacation that has been used but not earned will be charged to the employee and he/she will be required to pay the college back for that unearned vacation which he/she has used.

8.2 All full-time employees shall have their vacation time calculated in accordance with the following schedule:

| Date of Hire through 3 years of Service | 12 days annual vacation |
| After 3 years of service | 13 days annual vacation |
| After 4 years of service | 14 days annual vacation |
| After 5 years of service | 15 days annual vacation |
| After 8 years of service | 17 days annual vacation |
| After 10 years of service | 18 days annual vacation |
| After 15 years of service | 20 days annual vacation |
After 20 years of service 24 days annual vacation

8.3 Vacation days may not be used until six (6) months' service time has elapsed. Credits will accrue during that time.

8.4 Holidays which fall during an employee's vacation period shall not be considered a used vacation day.

8.5 No employee can carry more than twenty (20) days vacation credit from one contract year to the next.

8.6 All part-time employees regularly scheduled to work over twenty-five (25) hours per week will accumulate vacation leave on a pro rata basis with full-time employees.

8.7 All vacations will be approved by the immediate supervisor and the appropriate Area Supervisor or her/his designee. Vacation requests shall be considered for approval within ten (10) working days of request. Departmental seniority shall prevail in vacation request conflicts provided that the request for the vacation was submitted prior to March 15.

8.8 At time of severance, an employee will be paid accumulated vacation leave on a pro-rata basis. Time carried over from the previous year shall be included up to the contract limits.

8.9 Should an employee not use his/her vacation in the year in which it was earned, said employee may carry over that unused vacation to the next year only under the following conditions:

a) the employee made good faith efforts to use his/her vacation;

b) the use of his/her vacation was denied;

c) the President of the College shall have the discretion to determine if the conditions of a) and b) were met and shall have the discretion to approve the carry-over of said vacation;

d) said vacation which was carried over must be used within the year which it was carried over to. If not, that vacation which was carried over will be forfeited;

8.10 EMERGENCY LEAVE DONATION – The College recognizes that catastrophic events may arise whereby the employee has no available leave time to use. In such cases, said employee shall be eligible to receive a “donation” of leave time from other members of the bargaining unit under the following conditions:

a) this provision shall only be available for bona fide emergencies;
b) the affected employee has exhausted all other leave time available to him/her including the benefits of the sick leave bank, if applicable;

c) the affected employee may receive up to a total of fifteen (15) donated days annually from other members of the bargaining unit;

d) employees may donate only accumulated vacation time and/or floating holidays (only the 2 floating holidays that said employee can choose when to take);

e) the Unit shall be responsible for application to and tentative approval of emergency leave donation;

f) once the affected employee has received tentative approval for emergency leave donation, the Association shall provide the Area Supervisor with verification of the tentative approval. Said verification shall be in writing and shall include: 1) the signatures of the employees involved; 2) the signature of Association representative providing tentative approval; 3) the total amount of leave time the affected employee is receiving (not to exceed 15 days annually); 4) the names of employee(s) donating leave time and the respective amounts donated.

g) once the Area Supervisor has received the information in f) above, s/he will provide the final approval unless s/he determines that one or more of the criteria listed above was not met.

ARTICLE IX - Leaves of Absence

9.1 SICK LEAVE - The sole purpose of this provision is to provide sick leave for those employees who suffer from a personal illness, exposure to contagious disease, other health oriented reasons, and/or injury and are unable to perform their job function except that sick leave may be utilized for illness, injury and/or doctor and dental appointments in an employee’s immediate family, and attendance upon members of the immediate family whose illness requires the care of said employee. An employee who claims sick leave under false pretenses or abuses this provision may be subject to immediate disciplinary action.

9.2 Full-time employees hired prior to September 1, 1989 shall be entitled to seventeen (17) sick days per year, three (3) personal days and four (4) bereavement leave days. Full-time employees hired after September 1, 1989 will receive thirteen (13) sick days per year, three (3) personal leave days and four (4) bereavement leave days; sick leave is earned monthly; such earnings to have 185 days accumulation.

9.3 When an employee finds it necessary to absent himself/herself, he/she shall notify his/her immediate supervisor at least one (1) hour before the start of work on the first day of the absence and every day of absence thereafter.
9.4 When an employee is absent from work because of sickness or disability for five (5) consecutive or twelve (12) or more work days in the aggregate per budget year, a physician's certificate verifying the employee's ability to work or an examination of other acceptable medical evidence for any absence will be required. If a doctor's examination is called for, costs not covered by health insurance shall be paid by the College provided the results establish a bona fide illness or disability.

When necessary, the College may require an employee be examined by a physician designated by the College at its cost.

Where an employee has demonstrated a pattern use of sick leave, the employee shall be counseled by the supervisor and/or department head, and shall be notified in writing that the employee may be required to provide a doctor's certificate for each future absence. At the end of six (6) months, if the pattern ceases, as determined by the Department Head, the employee shall be notified in writing, with a copy to the Unit President, whether or not the requirement shall be continued. During the period that the employee is required to bring in a note, if the employee fails to bring in a note within two (2) working days of absence, the employee shall not be paid for the day.

9.5 Sick leave shall be prorated for part-time employees regularly scheduled to work over twenty-five (25) hours per week.

9.6 **PERSONAL LEAVE** - The purpose for personal leave is to provide full-time employees with time off for conducting personal matters that could not otherwise be conducted outside normal work hours. Examples of proper use would be for important family matters, conducting personal legal affairs, and conducting personal business affairs that cannot be reasonably scheduled outside normal working hours. An employee may be given up to three (3) days personal leave without loss of pay, upon approval of his/her immediate supervisor and the appropriate Area Supervisor or her/his designee, except in cases of emergency requiring the employee's presence, and will not be granted if such absence will interfere with the proper conduct of college business necessitating the presence of the employee. Approval will not be unreasonably withheld. Said personal leave shall be, when possible, applied for at least twenty-four (24) hours in advance and may not be used as vacation days. Any abuse of this principle may result in disciplinary action. Personal leave may be used in half-day units. A record of such personal leave shall be filed with the Business Office. No notice from the College or any other source will be given to employees to the effect that "X" number of personal days are left to take or they will be lost. An employee who claims personal days under false pretenses may be subject to immediate disciplinary action. An employee's unused personal leave will be converted to sick leave at the end of each fiscal year.

9.7 **OFF THE JOB DISABILITY LEAVE** - Any employee who is absent due to disability shall be allowed to utilize sick leave credits. Off-the-Job-Disability leave shall be that period of time from the date that the employee is no longer capable of performing his/her regular duties due to an Off-the Job disability and terminates on the date that it
is determined by credible medical documentation that the employee is capable of returning to work to perform his/her normal job duties. Once an employee has been absent due to a disability hereunder for five consecutive days, Section 73 of the Civil Service Law shall apply with regard to tolling of time as provided in its Rules and Regulations.

9.8 The College shall notify members of the bargaining unit with their current leave accruals. Said accruals will be reflected on pay stubs.

9.9 SICK LEAVE BANK - Each full-time employee may contribute three (3) days from his/her sick leave accumulation reserve, each of the first three (3) years of service. These days will be placed in a "Sick Leave Bank" which shall be established to aid participating full-time employees who suffer prolonged illness or where there is an illness and/or injury in the employee’s immediate family which requires the attendance of the employee and whose sick leave accumulation has been exhausted. If an employee is unable to contribute three (3) sick leave days at the completion of any year of service, he/she may contribute to the Bank when he/she accumulates three (3) days sick leave.

9.10 An employee with one or more year’s service at the College, who has contributed to the Bank, may be permitted, upon written application and presentation of a doctor’s certificate to the Sick Leave Bank Committee, to draw up to fifteen (15) working days for each completed year of employment, after his/her own accumulation of sick leave days has been exhausted, but only for illness or accident of a prolonged nature, and in situations where a member of the employee’s immediate family suffers from an illness and/or injury which requires the employee’s attendance as provided in the preceding paragraphs. A member may draw additional sick leave days upon special action of the Sick Leave Bank Committee. Such action may permit the employee to draw an additional fifteen (15) working days for each completed year of employment to a maximum withdrawal (initial and special action) of one hundred twenty (120) days. When a member has repaid the Bank, according to the Sick Leave Bank rules, he/she will be eligible to draw additional sick leave days from the Bank.

9.11 Days used from the Sick Leave Bank will be replaced by the borrower at the rate of three (3) days for every five (5) days granted, payable at the rate of one (1) working day per month, twelve (12) working days per year as his/her reserve allows. The Sick Leave Bank Committee will keep a record of days accumulated, borrowed and returned.

9.12 A committee for the administration of the Sick Leave Bank will be selected by the Association. All Sick Leave Bank applications shall be submitted to this Committee with an attached and signed doctor’s certificate. The Committee will consist of the President of the College or her/his designee and four (4) members, plus the President of the Association, with an alternate to serve in case one of the members of the original Committee should make application to this Bank.
9.13 This Sick Leave Bank shall be reviewed by the Sick Leave Bank Committee each October, with reports and recommendations made to the Association and the College for their consideration.

9.14 a) An employee's contributed sick leave days may not be withdrawn upon termination of his/her Sick Leave Bank membership.

b) An employee may cancel his/her membership in the Sick Leave Bank only at the September anniversary of the Sick Leave Bank. A Sick Leave Bank member may not cancel membership while in debt to the Bank. Any sick leave days he/she has contributed to the Sick Leave Bank will remain in the Bank. Any individual who has canceled or terminated his/her membership can rejoin at the September anniversary of the Sick Leave Bank, with approval of the Sick Leave Bank Committee.

9.15 All Decisions of the Sick leave Bank Committee are final and binding and not subject to the grievance procedure

9.16 LEAVE OF ABSENCE WITHOUT PAY- Full-time employees may apply for a leave of absence without pay, not to exceed one (1) year from the time of granting, after one (1) year of service, and upon at least two (2) weeks written notice to the appropriate Area Supervisor or her/his designee. The granting or denial of all leaves of absences, except as required by law, shall be at the discretion of the College Board of Trustees upon the recommendation of the President. The Board’s determination shall be final on all parties. The denial of a leave of absence shall not be grievable. Under special circumstances, an employee may apply for up to six (6) months additional leave. An employee who makes a written request to return to work prior to the expiration date of his/her leave may return early at the discretion of the President of the College provided such approval shall not be deemed as a precedent.

9.17 Upon the expiration of such leave of absence, the employee shall be reinstated with the restoration of all benefits previously enjoyed, including salary.

9.18 COURT AND JURY LEAVE - Court and jury leave shall be authorized for any employee who receives official notice to report for jury duty or is subpoenaed. When in response to a subpoena or direction by proper authority, an employee appears as a witness for the Federal Government, the State of New York, or a political subdivision thereof, he/she shall be entitled to court and jury leave with pay for the period required. Fees from service on jury will be returned to the College. Mileage will be retained by the employee.

9.19 WORKERS’ COMPENSATION

a) The College shall continue to provide Worker's Compensation for all employees. Any employee injured while on duty as an employee of the College is required to file an accident report with the Office of Human Resources within three (3)
working days. Proper forms are available from the Office of Human Resources or the Human Resources website.
