FUNDRAISING SURVEY REPORT

For the 2010–11 Fiscal Year

INTRODUCTION

The State University of New York has compiled the Fundraising Survey Report using *CASE Management Reporting Standards* for reporting annual fundraising results. Information contained in this report may be used as an effective mechanism to monitor progress in achieving SUNY campaign and individual campus goals, to facilitate comparisons among peers within and outside the State University, and to share fundraising “best practices”. To ensure these comparisons are meaningful and accurate, the State-operated campuses and community colleges are asked to follow the applicable reporting standards when completing the CAE Voluntary Support of Education (VSE) survey form used to compile the information in this report.

A brief overview and description of the contents of the *Fundraising Survey Report* for the 2010-11 fiscal year follows:

Executive Summary (pages 3-6) – Presents a summary of University-wide fundraising information with comparisons to the previous year and five-year trend information for all colleges and universities.

Summary of Gifts Received (pages 7-9) – Reflects the compiled results of the survey completed by the colleges and universities with a comparison to the previous year’s totals. The schedule provides detail of the types of restrictions placed on gifts, the total outright gifts and deferred gifts.

Summary of Gifts by Type (pages 10-11) – Displays the total gifts by colleges and universities (in descending dollar order) by type of gift. The classification types are:

- Unrestricted - gifts given without any restriction.
- Restricted for property, plant and equipment (PP&E) - gifts of real and personal property or gifts that the donor has restricted to use for purchasing, constructing, renovating, or retiring debt of buildings, equipment, land or facilities.
- Restricted other - gifts that the donor has restricted to use for a particular purpose (i.e., scholarships, research, institutional support, athletics, etc.)
- Endowment - gifts that donors specify are to be retained and invested for income-producing purposes. The income on these gifts can be unrestricted or restricted.

Summary of Gifts by Source (pages 12-13) – Displays the total gifts by colleges and universities (in descending order) by the source of gift (i.e., individuals or corporations/foundations).

Comparison of Gifts by Campus to the Previous Year (pages 14-19) – Reflects a comparison (increase or decrease and percentage change) of gifts received by campus in the current year versus the previous year in total, from individuals, and from corporations/foundations.

FUNDRAISING SURVEY REPORT

Fundraising Survey Information and Glossary of Terms

For the 2010–11 Fiscal Year

Gifts included in this Survey:

The amounts reported in the Survey include only the cash, property, and gifts in-kind received as private charitable support during the institution's fiscal year. It DOES NOT include unfilled pledges and testamentary commitments in the gift totals.

Included as voluntary support (all gift and grant income):

- Gifts and grants to the institution, both for current operations and for capital purposes, regardless of form (cash, products, property, securities, life insurance contracts, etc.)
- Gifts and grants to affiliated foundations and organizations created to raise funds for the institution
- Securities, real estate, equipment, property or other noncash gifts, valued at fair market value by an independent appraiser
- Deferred gifts
- Cash value of life insurance contracts
- Insurance premiums paid by donors

Not included as voluntary support:

The following types of funds are not counted in the amounts reported in this report:

- Advertising revenue
- Alumni membership fees/dues
- Contract revenues, including sponsored research funds
- Contributed services, unless cash payments are returned as contributions
- Contributions from cities or regional governments, even though those entities may be incorporated
- Discounts on purchases
- Earned income, including transfer payments from medical or analogous practice plans
- Gifts from affiliated foundations and organizations to the institution (because they are counted when received by the foundation or organization, not when they are passed to the institution itself)
- Investment earnings on gifts, even if accrued during the fundraising reporting year, and even if required under the terms specified by the donor (the only exception permitted being interest accumulations counted in guaranteed investment instruments that mature within the reporting year, such as zero-coupon bonds)
- Government funds, whether local, state (including state matching grants), federal, or foreign

Not included as voluntary support (cont.):

- Pledges (although the Financial Accounting Standards Board requires certain institutions to report unconditional pledges in their financial statements, these should not be included in annual gift totals of fundraising results)
- Revenue from special education programs
- Student financial aid when the gift is in support of a specific student identified by name
- Surplus income transfers from ticket-based operations, except for any amount equal to that permitted as a charitable deduction by the IRS
- Testamentary commitments (bequest intentions)
- Tuition payments
- Value of deferred giving contracts terminated due to the death of the income beneficiary during the year

Outright Gifts for Current Operations - Includes only outright gifts given specifically for current operations.

Unrestricted - Includes outright gifts, including realized bequests (estate settlements), given by donors without any restriction, regardless of any subsequent designation by the institution to be used for current operations, to function as endowment, to construct facilities, or for other purposes. In cases where the donor expresses a preference for the gift's use but leaves the decision to the institution, the gift is reported as unrestricted.

Restricted - Includes outright gifts for current operations that the donor has restricted for use in a particular purpose (i.e., scholarships, research, institutional support, athletics, etc.).

Outright Gifts for Capital Purposes - Includes only outright gifts for such purposes as property, buildings, equipment, endowment funds, and student loan funds.

Property, Buildings and Equipment - Includes outright gifts of both real and personal property for the use by the institution; gifts made for the purpose of purchasing buildings, other facilities, equipment, and land for use of the institution; gifts restricted for construction or major renovation of buildings and other facilities; and gifts made for retirement of indebtedness.

Endowment Funds - Endowment funds are those that donors specify are to be retained and invested for income-producing purposes.

- **Endowment–Unrestricted** - Includes outright gifts restricted by the donor for endowment, but for which the donor has made no restriction regarding the use of the income produced by the endowment, regardless of any subsequent allocation the institution may make.
- **Endowment–Restricted** - Includes those outright gifts added to the endowment funds of the institution by donor direction, from which the income is limited by the donor for specific purposes or programs.

Loan Funds - Includes outright gifts restricted by donors to be available for loans to students, faculty, and staff.

Deferred Gifts - Includes only deferred gifts established or added to in the reporting period. Such gifts include charitable gift annuities, charitable remainder trusts (including those administered outside the institution), gifts to pooled income funds, and remainder interests in property. Deferred gifts are reported at present value.
