Morning Edition
Buffalo Startup Weekend is slated for late October

Get your sleep on Oct. 23.

The following week will be one to remember for those on Buffalo’s entrepreneurship/startup scene, culminating in the finalist presentations and awards ceremony for 43North on Oct. 30.

The week will begin with Buffalo Startup Weekend, starting Oct. 24 at d!g on the Buffalo Niagara Medical Campus. The three-day event, held in cities around the country, is designed as a crash course in startup businesses. But in Buffalo, at least, it’s become something more.

A number of businesses that found their first vetting at local Startup Weekends -- including, recently, Handstack and Heads Up -- are now into beta testing and fundraising. And even in tech’s event-centric culture, Startup Weekends bring together a rare variety of stakeholders.

On Oct. 25, the Whitespace Code and Design Camp will feature a full-day session helping beginners learn the basics of web programming.

A networking event, Buffalo Startup Scramble, will be held from 6 to 9 p.m. on Oct. 28 at various venues on Allen Street.

A forum, “The Wild West of Equity-Based Crowdfunding,” will be hosted from 1 to 2:30 p.m. Oct. 29 at the University at Buffalo’s Center of Excellence in Bioinformatics and Life Sciences on the medical campus.

Also on Oct. 29, a meetup hosted by Bright Buffalo Niagara will welcome any of 43North’s 113 semifinalist companies to network with venture capitalists and angel investors. The event will be held at the University at Buffalo’s Clinical and
Translational Research Center on the medical campus.

Finally, 43North’s ultimate event will be held at Shea’s Performing Arts Center at 646 Main St. Pitches will begin at 8:30 a.m. and continue through 4 p.m., with an awards ceremony and cocktail reception from 6 to 9 p.m., also at Shea’s.
