

SUNY Prepare Abstract Submission and Attestation Form

Abstract: Please describe your innovation, its novelty, and relevance to addressing COVID-19 and/or other infectious disease issues (limit 400 words).

Additional Required Questions:

1. Who will be involved in the creation of this innovation? Please list the names of all students and faculty involved.

2. Please describe the nature of the student's participation in this creative effort. How will this benefit the students participating? What are the student learning outcomes?

3. What do you expect the deliverable of this project to be and what will it show in terms of impact?

4. Do you expect impact of this innovation by disseminating through campuses?

Lead Applicant/PI Signature
